MONTREAL STREET, -A letter of Dr. Dupuis' upon the Council's work of abortion on the project of opening Montreal Street is crowded out to-day, but will appear to-morrow, with no doubt other outspoken contributions on the subject. The public to-day do not hesitate to pronounce last night's report of the Streets and Improvements Committee as a cleverly devised put up job to kill off the proposed public work.

OBITUARY, -We regret to learn of the respected resident of Collinsby. He had been discharged from the 50th Regiment of Foot, and was admitted an out pensioner of Her Majesty's Royal Hospital, Chelsea, in 1848. For the past 20 years he has been a resident of Collinsby. His funeral attested to the great respect in which he was held by the public. Hir remains were interred in the Township of Kingston, at Waterloo.
