CATARRH.
The Constitutional Remedy.

The Constitutional Catarrh Remedy is the first article placed before the public that proposed to cure Catarrh by building up the Constitution. It struck at the root of the whole difficulty, and thousands upon thousands of letters have been received by the proprietors, setting forth the marvelous cures, and what is remarkable, curing not only the Catarrh, but all other ailments at the same time. This is what it always does. The following statements are only samples of what we are constantly receiving, from well known people to whom you can write, and not begin ones. Catarrh and its attendant evils, cold in head, hacking cough, incipient consumption, headache, pain in the back and loins, dizziness, languidness, loss of appetite and general weakness, all leave together when the Constitutional Catarrh Remedy is taken as recommended.

Home Testimony in favor of Littlejohn's Catarrh Remedy.

T. J. B. HARDING, Esq.,
Brockville, 12th Feb, 1876.

My Dear Sir,—I can carefully endorse, from my own experience, the favorable account of the Constitutional Catarrh Remedy. It has afforded me relief from Catarrh and Cold every time I used it, and then when I could not take proper care of my self in bad weather.

Yours respectfully, C. W. VOLNEY.

T. J. B. Harding, Esq.,
Brockville, Feb. 9, 1872.—Sir: Having had Catarrh for a number of years, and having tried nearly all the remedies advertised that promised relief or cure, without the desired result. I came to the conclusion that it was useless in trying to cure the disease. I was advised last fall to give the "Constitutional Catarrh Remedy" a trial, and did so, with very little faith as to the result, but I am happy now to say, that after using three bottles, I am entirely cured and do not feel as if I ever had Catarrh. I also cheerfully recommend it to all those that suffer from that disease, and am satisfied that if they will only try one bottle, it will need no other recommend, and will convince the most sceptical.

Yours Respectfully,
JOHN C. BANN,
St. Lawrence Hall.

CONSUMERS OF GAS
Will do well to Examine their Gas Bills and compare them with those who use the
ELLIS'
GAS BURNER!

The following is a Copy of our Gas Bill for two and a half months:

MONTREAL NOVELTY COMPANY—
To Kingston Gas Light Co.:

1500 Cubic feet Gas consumed	$6.00
Less discount 12 1/2 per ct.	75
	$5.25

Interested parties know that we have had a brilliant light every evening and usually quite late and that the above is a very small bill comparitively being less than four feet of Gas per hour to each Burner in use.

THE ELLIS GAS BURNER
WILL SAVE ONE FOURTH OF YOUR GAS BILL AND IMPROVE YOUR LIGHT.

We are often asked how we get so much brighter light than others? It is because we do not check the Gas at the Meter or Tap which reduces the quality and quantity of the Light in proportion to the reduction of Gas used.

THE ELLIS GAS BURNER is self-regulating without lessening the light.

MONDAY EV'NG, JULY 24, 1876.

Hold the Plow and Wield the Spade.

Birds that nestle in the bow
Are with Nature's treasures fed,
But with sweat upon his brow
Man shall ever eat his bread.
Want will idle homes invade—
Hold the plow, and wield the spade.

Happy hearts and blooming health
Follow labor and repose.
And the stream of honest wealth
In their silver channel flows.
Gentlemen of every shade
Find it in the plow and spade.

Men of truth, and men of might:
Men who well their living earn;
Men who love and do the right;
Men who never labor spurn.
These enduring worth have made,
Hold the plow and yield the spade.

Nature never was designed
Drones to nourish and to keep.
Busy hands and active mind
These the fruits of labor reap.
Life demands our every aid:
Hold the plow and wield the spade.

WRIGGINGS.

—London refineries are undergoing inspection.

—A *Globe* editorial speaks of "a horde of firebrands."

—The Ann Eliza case against Brigham Young for divorce has come up again.

—Salt has been discovered in the township of Keppel in Grey.

—His Excellency and the Countess of Dufferin will return to Ottawa to-day.

—The Protestant population of Quebec is very little greater now than forty years ago.

—The Conservatives throughout the Province are hard at work organizing. An example.

—During the thunder storm of the 21st, the barns of Mr. Dally, near Grafton, were struck by lightning.

—The barns, sheds, &c, of Thos. Harris, Hamilton, were struck by lightning on the 21st and burned.

—The real name of Signorina Spelterini, who crossed Niagara on a wire recently, is Sarah McGinnis.

—On account of the extreme heat, Rhode Island farmers are moving their grass by torchlight.

—Considerable damage has been done in the vicinity of Belleville by the wind storm of Thursday last.

—The Fifth avenue cathedral at New York, like the Roman Catholic churches of Europe, will have no seats.

—A block of three stores of Sussex street, Ottawa, for which the owner refused $9,000, has just been sold for $6,000.

—The town of Stratford and the County of Perth are at loggerheads over the assessment question.

—While Cole's Circus procession was moving down Wellington street, Ottawa, on the 21st, Boissonneault's Exchange Bureau was entered and $500 stolen.

—The South Grenville Agricultural Society will hold its exhibition on the 3rd, 4th and 5th of October next.

—The readers of the Ottawa *Times* never know till they open the paper what its politics for the day are to be.

—The Nova Scotia Advisory Board have contributed $500 as a contribution to the Fishermen's Rowing Association for training a crew for the Centennial Regatta.

—A sensation has been created in France by the rejection, effected by the alliance of Bonapartists with the Right, of the Government University Reform Bill.

—The question in dispute is whether Mr. McLennan is a Montreal lawyer or a retired merchant. One thing is certain: he is a Conservative candidate trying to get elected to Parliament by a Reform constituency.

—The story of a quarrel between Theodore Tilton and Elizabeth Tilton over their son Ralph is pronounced by those familiar with the facts to be a fiction.

—Kaiser William received just forty-one thousand three hundred and seventy-one presents during the past year, and it was not a very good year, either.

—Mr. Moody's Church in Chicago cost $67,000, and is all paid for—a condition which Mr. Moody insisted should precede its dedication, which took place on Sunday last. The lot cost $22,000 more.

—A fire broke out in Dunnville on the 21st at midnight, and burned a number of dwelling houses, four stables, four horses, a large storehouse and a livery stable.

—A singular coincidence is mentioned in the Oswego *Palladium*. James Clark, aged 72, and his wife, same age, of Pulaski, died on Saturday night. They were born, died and were buried on the same days. Both were afflicted with cancers, which caused their death.

—George Clark, editor of the *Lively Times*, of Prescott, was arrested in Ogdensburg on Friday and taken to the Canton gaol. He was arrested on the charge of taking possession of property, which he removed from the country, belonging to a deceased person, whose estate had not been administered upon.

—A riot had taken place at Thurso, fifty miles east of Ottawa, where a mob of disappointed creditors of the late subcontractors of the Government Railway gathered in force and set fire to several thousand railway ties belonging to the Government of Quebec. Two thousand ties were destroyed before the flames could be extinguished.

—An evening or two ago a deformed street organ-grinder, named Angelo Cuneo, of Toronto, sold his wife to a peanut vendor named Isaac Ernst, by auction, for $3. She was handed over to her purchaser, and gave him a token of her fidelity in the shape of a ring. Next morning Ernst had tired of his purchase, and went to Cuneo and demanded his money back. The latter, with the help of another man, knocked Ernst down and stole the ring, besides cruelly ill-using him. Ernst now seeks redress.

READ THIS.—No use of any longer taking the large, repulsive, griping, drastic and nauseous pills, composed of crude and bulky ingredients and put up in cheap wood or pasteboard boxes, when we can, by a careful application of chemical science, extract all the cathartic and other medicinal properties from most valuable roots and herbs, and concentrate them into a minute Granule, scarcely larger than a mustard seed, that can be readily swallowed by those of the most sensitive stomachs and fastidious tastes. Each of Dr. Pierce's Pleasant Purgative Pellets represents, in a most concentrated form, as much cathartic power as is embodied in any of the large pills found for sale in the drug stores. From their wonderful cathartic power, in proportion to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect, but such is not at all the case, the different active medicinal principles of which they are composed being so harmonized, one by the other, as to produce a most searching and thorough, yet gentle and kindly operating cathartic. The Pellets are sold by dealers in medicines.

CATARRH
Cannot be cured by Snuffs, Washes, or Local Applications. Thousands have been cured some of 40 years standing, by using the CONSTITUTIONAL CATARRH REMEDY. Certificates and treaties on Catarrh mailed to any address on application to T. J. B. HARDING, Brockville, Ont. Sold by all Druggists. Price $1.00 per bottle.

A CARD.—To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. JOSEPH T. INMAN, *Station D, Bible House, New York City*

☞ Coughs and colds, when left to themselves, frequently bring on pulmonary complaints which lean to that distressing disease—consumption; but if attended to in time, Bryan's Pulmonic Wafers are a certain remedy. They stop the irritating cough, and soothe and strengthen the bronchial tubes, allaying all irritations and inflamation. They are particularly adapted for the use of singers and public speakers. Sold by all druggists and country dealers. Price 25c per box.

A Good Horse.—There is much pleasure and profit in the service of a good horse, and but very little of either in a bad one; no person from choice, will retain a bad horse; many, however are in possession of such who need no be. We think there are few horses so bad but that their condition can be improved and rendered more valuable and useful for their owners, to effect which, there is nothing equal to "Darley's Condition Powders and Arabian Heave-Remedy," it has effected astonishing results in thousands of cases. Remember name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors. Sold by all medicine dealers.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q. writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H Earl, Hotel Keeper, West Shefford, P.Q. writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil and are pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Warkworth writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much, Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine."
