The Constitutional Remedy.

The Constitutional Remedy is the

first article published in the public press

in Canada, and is the result of the

difficult and laborious researches of

the author, who has spent years of

his life in the study of the human

system, and has discovered the

cause of the disease, and the

means of its cure. It is a

simple, safe, and effective

remedy, and is the only one

that will cure the disease

without the use of any

other medicine. It is the

only remedy that will

restore the system to its

normal state, and is the

only remedy that will

prevent the disease from

returning. It is the

only remedy that will

strengthen the system,

and is the only remedy

that will cure the disease

without the use of any
