CATARRH.
The Constitutional Remedy.

The Constitutional Catarrh Remedy is the first article placed before the public that proposed to cure Catarrh by building up the Constitution. It strikes at the root of the whole difficulty, and thousands upon thousands of letters have been received by the proprietors, setting forth the marvellous cures, and what is remarkable, curing not only the Catarrh, but all other ailments at the same time. This is what it always does. The following statements are only samples of what we are constantly receiving, from well known people to whom you can write, and not be one ones. Catarrh and its attendant evils, cold in head, hacking cough, incipient consumption, headache, pain in the back and loins, dizziness, languidness, loss of appetite and general weakness, all leave together when the Constitutional Catarrh Remedy is taken as recommended.

Home Testimony in favor of Littlejohn's Catarrh Remedy.

T. J. B. HARDING, Esq.,
Brockville, 12th Feb. 1876.

My Dear Sir,—I can carefully endorse, from my own experience, the favorable account of the Constitutional Catarrh Remedy. It has afforded me relief from Catarrh and Cold every time I used it, and then when I could not take proper care of my self in bad weather.
Yours respectfully, C. W. VOLNEY.

T. J. B. Harding, Esq.,
Brockville, Feb. 9, 1876.—Sir: Having had Catarrh for a number of years, and having tried nearly all the remedies advertised that promised relief or cure, without the desired result. I came to the conclusion that it was useless in trying to cure the disease. I was advised last fall to give the "Constitutional Catarrh Remedy" a trial, and did so, with very little faith as to the result. But I am happy now to say, that after using three bottles, I am entirely cured and do not feel as if I ever had Catarrh. I also cheerfully recommend it to all those that suffer from that disease, and am satisfied that if they will only try one bottle, it will need no other recommend, and will convince the most sceptical.
Yours Respectfully,
JOHN C. BANN,
St. Lawrence Hall.

CUSTER.

[President Grant was very severe upon the late General, and the sympathy over his death has partly turned into feeling against Grant:]

How better is the brave
Hero in his grave,
With flowers and trees above,
Whispering praise and love—
Immortal in history and song:
Than the author of his wrong:
Living safe and dying late,
Burdened with lasting hate.
Let honored Custer quiet sleep!
Let a bowed nation weep!
Let the ages avenge the slight
Of the victim of autocratic spite.

Remember Thee.

May each day that God hath willed thee,
Find thee happy as to day,
With dear friends and loved ones near thee
In the bright or darkest way.

May the heart that now doth love thee,
And to day is there alone,
Prove in years more true and tender
As thy love is e'er his own.

May thy life be one of gladness,
Aye a constant flowing stream
Of rare joy, and sweetest pleasure
That shall ne'er become a dream.

And when years that silent flowing
Bring thy silver wedding day,
And the golden and the diamond
Follow onward in their way,

Though the dear friends now around thee
Then afar may scattered be,
Still let memory's chain recall them,
For they'll e'er remember thee.

THINGS IN GENERAL.

—The yacht Surprise has been re-christened Abeona.

—Sir Charles Dilke is not coming to the Centennial after all.

—San Francisco bay is dotted with shipping, come to move the wheat crop.

—A society has been formed in England, the object of which is "united prayer for the protection of animals from cruelty."

—The schooner E. W. Rathbun, while at anchor, was run into by the propeller Mineral Rock off Sombra, Lake Huron. She lost all her head gear, jibboom and bowsprit.

—The new Sultan on taking possession found 1,900 cooks in the palace, but for certain Oriental reasons confined his diet to boiled eggs until he reorganized the kitchen bureau.

—When a high-toned fellow commits a crime in Japan he gets the lowest-toned cell in the calaboose, while low-born criminals are treated with more considerateness. It is different here.

—A cigar factory has been started at Chatham.

—William Deedes, Conservative, has been elected to Parliament for East Kent.

—Some sixty new buildings are in course of erection in the Montcalm burnt district, Quebec.

—Archibald McLachlan, editor of St. Thomas *Home Journal*, has been appointed registrar of Elgin.

—New York Republicans have decided to give the nomination for Governor to District Attorney B. K. Phelps.

—An organ factory is to be started in Cobourg; yet there are some who will have it that the policy of the present Government is death to manufactories.

—In France, out of a population of 36,000,000, only 2,000,000 live on the revenue of accumulated wealth, the balance depending on the produce of labor.

—A despatch from Mount Washington says:—Four inches of snow fell Wednesday morning, just after sunrise; weather now clear.

—The number of clerks to be discharged in the Departments at Washington, if the agreement of the Conference Committee in the Legislative bill becomes law, will be nearly seven hundred.

—Cardinal Donnet, Archbishop of Bordeaux, whose see includes a portion of the West Indies, has written to the Pope urging the canonization of Christopher Columbus.

—Two years ago the Boston Common Council forbade the turning of water from roofs into the streets, and over 96,000 openings into the sewers had to be made for this additional drainage. There were 1,000 more deaths in Boston in 1875 than in 1874, and physicians say that the increase is owing to the air being impregnated with sewerage gas.

DEPLORABLE CONDITION OF WORKINGMEN.

Early yesterday several hundred unemployed workingmen assembled on the esplanade in Fountain square, Cincinnati pursuant to a call published in yesterday's papers. After listening to speeches from Samuel Carey and others upon the deplorable condition of the workingmen, &c., they went in procession to the city building, to demand of the Mayor "bread or blood," as announced by one of the leaders, but upon arrival at the building no one seemed willing to wait upon the Mayor with the demand, and after an hour's waiting the crowd dispersed. The Mayor had been apprised of their coming and had placed a strong guard of police around the building.

VanLonnep, a native of Turkey and the well known lecturer on Oriental Manners and Customs, who dressed in the costume of his country conducted a novel exhibition as Oriental life as illustrating Bible times, aided by several ladies and gentlemen also dressed in Oriental garbs. His subjects as illustrated were, the modes of salutation, woman's life at home and oriental weddings.

READ THIS.—No use of any longer taking the large, repulsive, griping, drastic and nauseous pills, composed of crude and bulky ingredients and put up in cheap wood or pasteboard boxes, when we can, by a careful application of chemical science, extract all the cathartic and other medicinal properties from most valuable roots and herbs, and concentrate them into a minute granule, scarcely larger than a mustard seed, that can be readily swallowed by those of the most sensitive stomachs and fastidious tastes. Each of Dr. Pierce's Pleasant Purgative Pellets represents, in a most concentrated form, as much cathartic power as is contained in any of the large pills found for sale in the drug stores. From their wonderful cathartic power, in proportion to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect, but such is not at all the case, the different active medicinal principles of which they are composed being so harmonized, one by the other, as to produce a most searching and thorough, yet gentle and kindly operating cathartic. The Pellets are sold by dealers in medicines.

A HEALTHY MAN.—A healthy man may eat almost any kind of food, in moderation, but an invalid must live prudently, or suffer from Dyspepsia, with its long train of evils. Wingate's Dyspepsia Tablets, are purely restorative in character, and are a precious boon to the Dyspeptic.

A CARD.—To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. JOSEPH T. INMAN, *Station D., Bible House, New York City*

Very Sensible.—Horse dealers who are supposed to know what affects their interest, purchase "Darley's Condition Powders and Arabian Heave Remedy," by the dozen, and feed it to their horses for the purpose of improving their condition, which it always does—others should profit by their example. Remember name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors. Sold by all medicine dealers.

☞ The first approaches of consumption are so insidious that thousands remain unconscious of its presence until its presence has brought them to the verge of the grave. The immediate use of "Bryan's Pulmonic Wafers" upon the first appearance of the cough, pain or soreness of the throat or chest, would generally preclude a fatal result; therefore, when you take a cold use Bryan's Pulmonic Wafers, and thus prevent the necessity for taking them in more dangerous complaints. Sold by all druggists and country dealers. Price 25c per box.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q. writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H. Earl, Hotel Keeper, Wm. Shefford, P.Q. writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Mayhee, merchant, Wadsworth, writes, "I have sold some hundreds of bottles of Eclectric Oil and are pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rasan, Township Perry writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Wadsworth writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Mayhee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine." ☞ Sold by all medicine dealers. Price 25 cents.
