Wednesday, August .2, 1876. DAMAGED. -The recent gales and hi water have seriously injured one of frequented roads on Wolfe Island, and general repair is called for.

A GOOD SERMON. - Our first page to-day ontains a very striking address on a su ject which lately agitated the churchinof Kingston and of other places far and near, as we'l.

THE BAND. - Last evening the Band of "A" Battery played in the Park, the concert being very entertaining, as the very large attendance of citizens amp'y

FOR PICTON. - The steamer "Geneva" took away a pleasant and numerous party to Picton this morning-the base ball excursion. The sail will be much enjoyed Per. to-day. The weather is such as to make t enjoyable

SUPPLEMENT. - Again this week, owing to another crowd of matter, we issue supplement to the WERKLY BRITISH WHIG, an addition which we hope to make permanent with the publication in 1877 This makes the WHIG worth one-third

TRIP TO THE BAY .- On Friday at 12 o'clock the Folgers start the stean er Maud on an excursion to Alexaudria CORD By, the run being made in sufficient time to enable her passengers to are tie programme of amusements, gotten up by the Thousand Island House. We predict a successful trip. Many will go upon it.

FIREMEN'S PIC-NIC. - The Victoria Jook and Ladder Company are going into the big pic nics. They will have theirs on Wednesday, the 16th, a fortnight recommend their enstomers and the public to use this COFFON THREAD ONLY with their hence, at Channel Grove, Sinicoe Island, and it will be a big affair -two steamers. 47th Band, \$300 in prizes for sports anbaby show; tickets only 25 cents. What more could the heart or a selfish public desire. The Victorias do things up well,

who put a rock in the noon gun the other there, (remarking that it was too late, hands. L on Bagot street, 66 feet by 24 feet for very | that the gun would have to be fired) is being tried to day.

A FIRE ON SHORT NOTICE, -Mr. H. O. Hitchcock, while smoking yesterday at noon in his cedar bush on Wolfe Island, where he was cutting timber to repair his ferry wharf, dropped a coal from his pipe. LOCKET, containing a lady's and child's Mi The sun was at 105 o in this exposed place, and the place was pretty dry. So he spark caught to the shavings, the grass and underbrush, and in half an hour it subdued at four o'clock, with far less the Pall, would now make such an ad- Madeline are not lessened. It only redamage than was expected. To-day he mission. amokes in a stone cellar.

YACRTING. -The yacht Geraldine, Toronto, touched here in the beginning of the week, and last evening the Oriole made her appearance. The Oriole is a comfortable boat for a cruise, being handsomely finished and furnished. Nexrly all the Belleville floet of yachts, big and little, are out for a two weeks spin They are all steering for the Thousand Islands and Alexandria Bay. If all enter for the regatta at the latter place Friday they will make the racing inter-

evening speaks plainly when it says that ency. in two recent larceny cases the wichesses were spirited away and that theref re authorities did not do something that from \$5 to \$25, would prevent this interference with the award of justice, as the police officers were perfectly well aware efforts were being made by outsiders to kill the case.

A PRETTY RACE. -A jolly little sailing race escaped our notice on Saturday, being the open boat contest postponed from entered -McCorkell's "Thistle" of Kingafon and Smithers' "Sea Gull" of Wolfe Island, and the race had to be put off because the "Thistle's" rudder was broken. On Saturday afternoon they were been away for two days on down-the river at length started, the "Thistle" by quick excursions. The "Geneva" did the Cape movement gaining a lead of a short trip smartly yesterday, getting in here length. The distance was kept up at 6:30 m the evening. throughout the whole course, sailing by or with the wind, to Garden laland, around it and back to Shoal Tower. The "Thutho" came in the same length about as she had reached soon after the start-

a singularly chee run for sail bouts.

WIND WAFTS.

-There are so many children in th ty sick with the measels.

-The Chief of Police has returned -This is a glorious day for pic-nicing, and there are several parties enjoying
