LIFE INSURANCE.

GENERAL AGENT

FOR THE

Counties and Towns of Central Canada, with

HEADQUARTERS AT KINGSTON.

WANTED BY THE

ÆTNA

LIFE

Insurance Company.

THIS COMPANY ANNUALLY TRANSACTS a larger new business in Canada than all the old country Companies combined, shown by the following statement from the Government Returns for 1875:—

Companies.	Policies Issued.	Amount of Policies.
Standard of Edinburgh	308	$578,242
Life Assc'n of Scotland	112	256,988
Briton Medical and General	60	88,633

Liv. & London & Globe	8	8,500
Total by 12 Companies	789	1,456,386
By the ÆTNA LIFE	971	1,469,932

And the same has been the result for seven years past, shewing that the merits of the ÆTNA have only to made be known to be appreciated by the insuring public. A strong feature in its favor is that the whole of its TWENTY-TWO MILLION DOLLARS of Assets is invested in the United States and Canada, where double the rate of Interest is obtained that is procurable in Europe. At 4 per cent compound interest, $100 increases in 50 years to only $710; while at 8 per cent. it amounts to $4,690; or nearly seven times as much. It is not surprising therefore that the ÆTNA can afford great advantages.

☞ TO AN HONEST, ENERGETIC, INFLUENTIAL GENTLEMAN, who can devote his whole talents to the work, a fine opportunity for success in life is now open in managing this Company's General Agency for Central Canada, under and salary commission. The best of references as to character will be required. Apply personally or by letter to

CATARRH.

The Constitutional Remedy.

The Constitutional Catarrh Remedy is the first article placed before the public that proposed to cure Catarrh by building up the Constitution. It struck at the root of the whole difficulty, and thousands upon thousands of letters have been received by the proprietors, setting forth the marvelous cures, and what is remarkable, curing not only the Catarrh, but all other ailments at the same time. This is what it always does. The following statements are only samples of what we are constantly receiving, from well known people to whom you can write, and not bogus ones. Catarrh and its attendant evils, cold in head, hacking cough, incipient consumption, headache, pain in the back and loins, dizziness, languidness, loss of appetite and general weakness, all leave together when the Constitutional Catarrh Remedy is taken as recommended.

Home Testimony in favor of Littlefield's Catarrh Remedy:

T. J. B. HARDING, Esq.,

Brockville, 12th Feb, 1876.

My Dear Sir,—I can carefully endorse, from my own experience, the favorable account of the Constitutional Catarrh Remedy. It has afforded me relief from Catarrh and Cold every time I used it, and then when I could not take proper care of my self in bad weather.

Yours respectfully, C. W. VOLNEY.

T. J. B. Harding, Esq:

Brockville, Feb. 9, 1872.—Sir: Having had Catarrh for a number of years, and having tried nearly all the remedies advertised that promised relief or cure, without the desired result. I came to the conclusion that it was useless in trying to cure the disease. I was advised last fall to give the "Constitutional Catarrh Remedy" a trial, and did so, with very little faith as to the result. But I am happy now to say, that after using three bottles, I am entirely cured and do not feel as if I ever had Catarrh. I also cheerfully recommend it to all those that suffer from that disease, and am satisfied that if they will only try one bottle, it will need no other recommend, and will convince the most sceptical.

Yours Respectfully,
JOHN C. BANN,
St. Lawrence Hall.

For sale by all Druggists. Price $1.00 per bottle.

TUESDAY EVEN'G, AUG. 15, 1876.

CHILD'S MORNING SONG.

What happens in the morning,
When the sun comes to the skies?
All the little children
Open wide their eyes.

When their eyes are open
What do children see?
Trees and birds and blossoms,
Bright as bright can be.

Is there not for children
Something more than this?
Mamma stands beside them
With a morning kiss;

Her smile is more than sunshine,
And her loving words
Are better than the singing
Of ten thousand birds.

In their pretty garments,
Ready for the day,
Kneeling, with sweet voices,
What do children say?

"God who made the blossoms
And the birds and skies,
Who gave us our dear mamma,
With her smiling eyes

Send a loving angel
To help us through the day,
That we may be good children
In all our work and play."

OVER THE WAY.

—Cole's big Hippodrome is to tickle up Watertown to-day.

—Honesty is the cheapest as well as the best policy. One of the patrons of the Lewisburg (N.Y.) cheese factory put too much water in the milk he supplied and was glad to settle for $300.

—An honest old farmer at Wilna, N. Y., is afraid to marry an old maid that he has been sparking, because a rival lover threatens to sue her for breach of promise.

—Gouverneur Agricultural and Mechanical Society offer $1,325 in prizes for running, trotting and walking races, and the grand steeple chase at the fair fair on the 6th, 7th and 8th of September.

—Another excursion to Ottawa is to be made on Thursday from Cape Vincent on the steamer Maud at 6:30 a.m., and stopping at all the important places down the river, and by rail from Prescott to Ottawa. Returning, leaves Ottawa at 2 p.m. the next day.

MONTREAL AND MITCHELL.

A YOUNG GIRL ROBS HER BROTHER FOR THE BENEFIT OF HER BETRAYER.

Mr. William H. Brown, jeweller, late of Mitchell, Ont., relates the following extraordinary story:—

"His family lived sometime ago in Montreal, and a young sister, who was only twenty years of age, was induced to become a 'daughter of temperance' in the lodge of a secret Order. In the lodge to which Miss Brown belonged was a man named Thomas Robinson, who keeps a store on Bleury street, and who is married with a wife and seven children living. Brother Robinson soon ingratiated himself into the affections of the young and innocent girl. Both being fond of music and pretty fair vocalist, he took Miss Brown to concerts of the Order in all directions.

"Mr. Brown says that this only went on for a short time until Robinson seduced his sister. Miss Brown was removed to Mitchell, and when there kept up a clandestine correspondence with Robinson.

"In the beginning of February Mr. Brown found a serious deficiency in his stock of jewellery, and on making enquiry found that his sister had forwarded a parcel to her betrayer in this city, the value marked on it at the express office being $800; whilst the real value was at least $4,000. It contained seventy-six gold and silver watches, 100 ladies gold rings (cost price $8 each), a diamond ring valued at $150, ladies' lockets and pendants, and other articles. The receipts of the parcel was traced to Robinson, who paid $4 charges on it. Mr. Brown had his sister arrested; but rather than have an *expose*, he let her off."

She soon after came to Montreal, where Robinson has had her in lodgings. A warrant was issued by the police magistrate this morning to have Robinson's premises searched.

TREASURE TROVE.—Money in small sums is being found on the shore of the Straits of Canso, which was known to be one of the haunts of the race of freebooters who swarmed about the waters of the North Atlantic when chased off the Spanish main. Very old silver crowns have made their appearance in maritime cities and it is supposed that a pot of money has been brought to light in some quarter.

MURDER.—A murder occurred at St. John's, N. F., on the 3rd inst., on board the schooner Zenith. Joseph Warren, sailor, a native of Dublin, complained of the quality of food furnished by the cook, Abjandro Mejentes, and went to the galley to cook meat himself, when Mejentes thrust a knife into Warren's abdomen. He died while on the way to the hospital. Mejentes is in custody.

THE "CENTENNIAL."—A cable telegram of the 12th says: "The dory *Centennial* put into Bocastle, Pembrokeshire, Wales on Saturday, for provisions, and then proceeded for Liverpool. Johnson reports that the *Centennial* was capsized once during the voyage but he succeeded in righting her."

THE BEECHER MATTER.—The counsel for Mr. Beecher has served an answer to the complaint of Francis D. Moulton in the suit brought by him against Beecher for malicious prosecution. The defendant denies almost every allegation in the complaint except that of having appeared before the grand jury and testifying to certain criminal libels which were false. The case will be tried in the fall.

FIRE AT ALEXANDRIA BAY.—Sometime during Friday afternoon a fire was discovered on Pullman's island. Some person had perhaps thrown a lighted match or cigar stump into the stubble, which is so dry in all parts of the country as to readily ignite. The fire spread rapidly in the grass but did not communicate with any of the buildings.

FATAL ACCIDENT.—New Hamburg, Aug. 12.—Last night about 10:45, as a freight train was coming in from the West, a brakesman named John Howe, aged 26 years, a native of Ireland fell the train passing over him, cutting both legs off. He only lived a short time after the accident.

DISCOLORED SKIN.—How disagreeable it is, after using some so called remedy for aches or pains, to find that although it may have eased the suffering somewhat, yet it has left its mark, in discoloration of the skin. Stanton's Pain Relief cures all aches and pains, internal and external, and never leaves any stain, cannot do harm, and always does good.

A Question.—Why will people keep four or five ill-looking sickly horses to do the work that one good horse might perform? If the horse has the heaves, is broken winded, has a cough or cold or his wind in any way affected; if his appetite is bad, or his digestive organs, deranged, has a rough skin or is hide bound, we would in all cases recommend the use of "Darley's Condition Powders and Arabian Heave Remedy," it never fails to benefit and almost always removes the disease; is free from anything that can injure, and may be used at all times with safety. Try it and you will satisfied. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors Sold by all medicine dealers.

☞ Is your throat sore, or are you annoyed by a constant cough? If so, use promptly "Bryan's Pulmonic Wafers." They will give you instant relief. They relieve the air passages of phlegm or mucuous, and allay inflammation, and no safer remedy can be had for coughs, colds, or any complaint of the throat or lungs, and if taken in time their efficacy will soon be proved. Sold by all druggists and country dealers. Price 25c per box.

WHAT THEY SAY OF IT! A FEW FACTS ON THE PEOPLE.—"There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q. writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all." —J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Mayhee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and are pronounced by the public, one of the best medicines they have never used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Warkworth writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much, Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine.
