doe of Births Fifty Cents.

TO CORRESPONDENTS.

The Daily News.

TUESDAY EVENING, JAN. 22.

Mr Vail's return are ill at case.

It is said in Ottawa that Mr Blake will resign shortly-immediately after the election in Halifax County. It is represented that his resignation has been in the Premier's hands for some time.

"The report comes to hand from Digby. in Digby and is therefore sure of election by | four years experience of the rule of the | trator of the Government at 2:30 to-day,

but kept his work in manuscript until he somuch that the first printed copy was death. I need hardly say that, under such dress"-in this case a totally different thing -te the Pope, in which Copernicus deprecated the "rash censure and miserable perversion, with which it would be received on account of its "fancied inconsistency with some passages of Scripture;" thus showing that it was a matter of "faith" for which he would have been persecuted, as Galileo in fact was afterward, and therefore the "case of Galileo" did "come under that sphere." Nor was "the theory of Copernicus taught one hundred years before Galileo lived," only twenty one years; 1543 1564; this, not as a matter of mush consequence, but to accurate. It is also very doubtful whether Coperuious was "a priest;" the facts are given, but it is not necessary to go into

So much as regards Copernicus. Galileo was twice persecuted by the Inquisition, which meant the chances-and with great odds against him of the torture-chamber, the fagget and the stake, and he was com pelled, not having nerves of the strongest, like other martyrs, as Savanaro'a, for instance, to abjure the grand truths of the elies. Creator, in the name of the Church, he having been one of God's chosen instruments discover and declare them.

Can it be possible that the Bishop means and parcel of the Church? That the Church was not responsible for the Inquisition That, during all these long years and hundreds, nay, may we not say thousands, martyrdoms, the Church looked on powerless to control or prevent them? Are we. in this, of all cases in the world, the maxim does not apply, qui facil per alium facit per se? Surely this is a little too much. Very faithfully yours.
