SATURDAY EVENING, FEB. 16.

Some Interesting particulars regarding the fortifications of the Dardanelles will be found on the fourth page of to-day's

There are no new developments connected with the vacant Senatorship. Mackenzie is in a dilemma on the subject. The Prescott Plaindealer of yesterday expresses the opinion that Dr. Brouse will be the lucky man.

According to the Insolvency statistics contained in the Report of the Minister of Agriculture just laid before Parliament, the number of persons who went into insolvency in Canada last year was liabilities amounted \$31,346,154, and the assets to \$22,251,791.

The Globe of yesterday read a lecture to the Opposition in the House of Commons on personalities and abuse. If it were to admonish the gentleman it once described as a "mixer and muddler of figures" and a few others of the Party with which he is now associated, i might find profitable employment. Th Globe should remove the beam and remember the advice "Physician heal thy-

ning to regard with favour the prospects orthodox hands and who as the conseof a war between Great Britain and quence of being outside the fold of which prove directly beneficial to American hopelessly and for ever consigned commerce. In an article in its issue of regions of endless misery. The Evangeli-Wednesday the New York Herald concluded by saying :-- "With Russia and England involved, with the Black Sea discountenances bigotry, intolerance and closed and English industries and ener. presumptuous arrogance, which even gies diverted into warlike channels, our this much-talked of enlightened ninegrain must feed Europe and our work. teenth century are too common. shops and ships supply not only England's customers, but many of the immediate needs of the conflict. And if other Powers are involved our gain will be proportionately greater." It is to be hoped that those who thus wish for gain at the expense of the sacrifice of thousands of lives will be disappointed.

LORD DUFFERIN'S LATEST SPEECH

We have frequently drawn attention to the unique speeches delivered by His Excellency the Governor-General, all of which are in the highest degree merito. rious and are models of literary finish and rhetorical excellence. During the present week he has been enjoying the gized the American nation and spoke in the absence of demand for labourers. terms the most felicitous of the kindness displayed towards him during his recent visit to that country and of the friendly phone. They don't care to have a young scarcely contribute a line to its pages, gents is besieging Pantano in Thessaly. The sentiments he found to exist there in fellow whispering in their ears with his | Should we leave behind us a single kindly | Turkish reinforcements from Armyres were regard to Canada. He concluded by mouth twenty miles away. referring to the presence at the banquet of the President's son, of whom he said: "I have the happiness of seeing near me Beauport Asylum and is now in one of Mr Webb Hayes, the son of the President | the Western States. of the United States, to whom your city | The remark by the Grand Duke Nichhas extended its hospitalities. The broad and liberal sentiments of the esteemed Principal of Queen's University spoken in enunciating the principles of the Evangelical Alliance should be generally disseminated, and it will be all the better for the cause of Christianity when they find general recognition. Since its formation the Alliance has done much towards breaking down the high walls of denominational exclusivism, there by bringing ministers and members of different persuasions together on a common platform of Christian brotherhood, and in this matter it is, we believe, destined accomplish still greater things in the future. As Principal Grant pointed out, it does not aim at organic unity, for that | laughter) - so satisfactory did I find the pub is simply impracticable, but it does aim at lie temper fn regard to our little matter. Nor autonomy for Bulgaria is inadmis. Section IV. - That any holder of the coin promoting harmony, its motto, if we remember rightly, being "In things essential, unity; in non-essentials, liberty; in all

things, charity." There was great force in what Principal Grant said regarding the petty quarrels which frequently disgrace the denominations, matters of trivial import-non-essentials-being magnified into great principles, while as a matter of fact they are of no consequence whatever. Of course there are some who, wrapped up in their sacerdotalism and moving within the charmed little circle of their own denominationalism, can see no good whatever outside their own communion, some of them going so far as to believe that the Kingdom of Heaven will be

cal Alliance seeks to cultivate a broad, catholic, christian charity, and necessarily

- IMMIGRATION.

From the immigration returns contained in the Report of the Minister Agriculture, received this morning, we learn that the number of immigrants who arrived in Canada during the year 1877 was 35, 285. The arrivals since 1869 have been as follows
