(Asternoon Despatches.)

London, March 26. - The final answer On motion, the selection of Mr McRorey was from St. Petersburg to England's question, made unanimous, Mr Elliot expressing his whether the entire Treaty will be submitted determination to use all his influence in to Congress, is anxiously awaited.

The Times expresses the opinion that the The whole affair being conducted in such | The candidate elect was Warden of Fron- | more prudent Russian statesmen, even the grape vines; and a young orchard of 76 strict privacy, we really are not aware of tenac in 1876, and was Reeve of his town. Caar himself, ought to be ready to smooth the way for the assemblage of Congress.

The preponderating opinion at the capitals of the Great Powers seems to be that Russia will refuse, and that this will render the situation very critical, in consequence of the presence of the British fleet in the Sea of Marmora and the position of the Russians about Constantinople, but that if no unforseen incident or complication arises from these circumstances war may be avoided, and that worthy has been collecting the past after a period of suspense, a fresh proposal two years for the avowed purpose of for a Conference or Congress be brought forward under different forms with a hope of

The position of Austria is a source of much

anxious curiosity. Semi-official organs have declared the Treaty utterly unacceptable, but the fact is equally certain that Austria does not support England's demand concerning the form of its submission to Congress. A Vienna correspondent says flatly, that the reconfor the purpose of opposing the British poli-

London, March 26 .- The Vienna correspondent of the Times says: The differences between England and Russia are those of form rather than principle, and ought not to prevent the meeting of Congress. The British Ambassador here had a long interview with Andrassy on Sunday by appointment. There is no doubt Russia is making a strong effort to avert the possibility of Anglo-Austrian alliance before giving England a final answer.

The Standard rays the Government storehouses are so crowded with warlike stores in consequence of rapid deliveries under recent contracts that it is necessary to engage storage in warehouses. San Stefano, March 26, -- The Grand Duke

Nicholas, with a suite of twenty, will proceed to-morrow morning in the Imperial yacht Livadia to visit the Sultan. The Sultan will immediately return the visit at one of the palaces placed at the Grand Duke's disposal or on board the Livadia.
