upon the Churches, parents, employers, and young men thomselves.

Mr W. Osborn and Rev. Mr McKay thought that special evangelistic efforts ght to be commenced at once.

Rev. Mr Galbraith expressed his sympathy with any effort in that direction, and urged preparation on the part of the members for such a work. Rev. Dr. Jackson pointed out the nece

sity of personal work. Mr E. Chown suggested the advisability of increasing the library.

Rev. Mr Grafftey said some of the best workers in his Church had been converted through the Association.

Mr M. Gage said that it had always been a difficult matter to secure financial support and that the citizens ought to give more

A collection was taken up to aid of Executive Committee's work, which Meadows stated was proving very beneficial to the Associations visited. The public Rev. Mr McKay, and a meeting of the mem bers was held at which it was decided to hold special prayer meetings every night the public including myself, were in utter this week at 9 o'clock, with a view to holding evangelistic meetings next week.

MR. DEVLIN'S APPEAL. The following is the letter from Mr P. Devlin, referred to in our report of the pro-

ceedings of the City Council: Kingston, March 26, 1878. To His Worship the Mayor and the Common Council of the Corporation of the City of Kingston in Council Assembled.

Gentlemen, -- Having learned a few days ago that a majority of the Committee on Fire, Water and Gas, intend to submit for certain changes in the Department, some o them very injuriously affecting me, and as I such action on their part is as sudden as it

Committee acted in the most partisan mango against him, and to go for him, and as nor against me; that he disparaged state The investigation was not limited as to time. in fact there was no regularity nor order in the mode of proceeding, and all my evidence in rebuttal is excluded. I ask you, in the

name of justice, will you condemn me with-

First. -That the petition is not a fair one so far as I was concerned. Second. - That party; or to favour this man, or to condemn the Inquisition was irregular, that the evithe other, on the strength of any popular dence was not properly recorded, not pubrushour or feeling, but to do in an unpre- lished, the press being excluded, and has not adiced manner what my instructed judg. even been read to you. Thirdly.-That What are the facts of the case presented Fourthly .- That no spenific charges were made, either verbally, or in writing, or any time allowed me for my defence. Lastly That many citizens are indignant at such a mode of proceeding and demand fair play It is said that I have made no changes in the against him from certain parties whose Department, Gentlemen, I am the servant meeting then closed with prayer by the names were not to be revealed, and from of the Council, as such it is my duty to obey the examination of whom Mr Deylin himself its instructions, not to carry out my own WEEKLY, \$1.50 per answer. was excluded, the Press was not allowed to views. As a result of the change to Steam report the proceedings, and, consequently. Fire Engines, the old by law became obsolete. Chairmen from time to time have allowed me various degrees of latitude, but no Now I am not going to question the pro- by-law, no rules have been given me to subpriety of such a course, all I am aiming at mit any Again and again I have applied is to show the precise condition in which I for Fire Extinguishers, extension ladders,

tentlemen, - I have been twenty-six years in the Department, and have served THE DAILY NEWS School House this evening. An excellent Bros., for the past few years, have built ex report even, of the charges preferred against in every grade. I entered the service 1852 as fireman In 1864 I was appointed Assistant Engineer. In 1872 at the change going to get a young lady from the city to. The Committee, certainly, stated that to steam fire engines I was made Cheef Enshare the new house, which will be a nne, they were satisfied of Mr Devlin's incom- gineer. I have never missed a fire while A Good Resommendation, - The Finance residence when completed They have taken priency, and certain of them pointed out Chief, and have been only absent from two houses in Battersea. G. S. Waket it is the hydrants, his unhiness for managing men, nor an act of censure passed on me. Again his habit of using profane language, and the and again I have received public thanks, ing next week at "Bunt's for the purpose of satisfied, the only means they took to satisfy agents, men who know whereof they apeak, electing fit and proper members for the entire Council was to assert their own convict are willing to express their estimation of my tions in the matter I must admit that it services in the past, and their confidence in

For all these reasons I pray your favourable consideration in my behalf, and I have the honour to be,

Your Obedient Servant PATRICE DEVLIN.
