row evening.

Lecture on the Montreal troubles at Vicboria Music Hall to-night.

Victoria Park is nearly ready for planting. The fencing is about finished. The Reformers meet to-night to arrange a

public meeting to "ratify" their candidate. Very harmonious meeting of the Conneil last night. Every member appeared to be in good humour.

Now that the summer has begun, it has been suggested that meetings of the Counci be held once a month.

The first year's report of the Rev. James Roy's congregation in Montreal is regarded satisfactory. The new church edifice will soon be commenced.

It is said that the Rev. Hugh Johnston, B.D., of Hamilton, will succeed Rev. Leonard Gaetz in St. James Street Church, Montreal, after the approaching Conferences, Mr Gaetz, being transferred from the Montreal to the London Conference and Mr Johnston from the London to the Montreal Conference. Mr Gaetz to take Mr Johnston's place in

Y. M. C. A. Half-yearly Meeting.

Last night the half-yearly business meeting of the Young Men's Christian Association was held. The special object of holding such a meeting was to reorganize the committees for summer work. A good deal of ordinary business had accumulated, and this occupied most of the time. Reports were received in regard to the Sustaining Membership Scheme, from which it appeared that very good success had been met with as far as the canvass his report for the half year. The reports of

for March and April were read and adopted. The following statistics are from these reports : Evangelistic Meetings (Sun-THE GREAT BOAT RACE. - The great boat | day evening) 9, total attendance 1,340; Bartotal attendance 234; Gaol Services, 3, total attendance 83. Total number of meetings held during two months, 38, with an aggregate attendance of 2,609. A report of the Gymnasium Committee showed that there would be a small balance on hand from this season's operations. Thompson and Woods. The Clerk read the minutes of last meet-'ug, wi ch were approved.

A letter was read from the City Clerk of Toronto respecting the removal of 'night soil, and describing the apparatus to be used in that city. Another letter was read on the same, subject. A third was slso read from H. B. Williamson, Toronto, Referred the Board of Health.

MONTREAL STREET. The Mayor submitted the following letter from the City Solicitor in the matter of Mon-

"I beg to inform you that the purchase." money \$1,250 of the land sold to the trustees of the Methodist Episcopal Church was paid on the loth April to me and is now tends to comply with the law, while Mr delay. Martin seems inclined to resist, and is going a Bill in Chancery; but before proceeding to file the Bill I must have the authority of the Conneil. In view of the local assessmen the Council cannot authorize any departure from the By law line, but it is for the Council to say if legal proceedings shall be taken eck on the ground by stone posts or other. \$25; express charges, do., 75 cents, bat

Ald. Allen said he supposed they had better cave in. (Laughter.) Ald. Dupuis, he was informed, was compelled to take his building down, and he did not think it was right that the other should be allowed to do as he liked. He moved that the City So. | matter. licitor be allowed to proceed to fyle a bill in

Ald, Gaskin thought the time was come which the city was responsible for. He also determined to carry out the law. When lamps. Ald. Dupuis had carried out the law, Mr Martin should be compelled to do so. He seconded the motion.

Ald. Price thought that in this special any agreement respecting the amount to be case there were some circumstances which should cause them to pause. There was no doubt that Mr Martin was building on the street. Ald. Dupuis carried out the law, and deserved credit. The Council should Mr Martin before taking an extreme step. great many buildings were on the street, and in this case, as the building was up, no great harm would be done. The Mayor asked the City Engineer how

far the building was up before he was The Engineer said it was only up three Ald. Gaskin said that if any person built on the street it would interfere with the

special assessment. Ald. Price said nothing could interfere with the special assessment. Ald. Allen said if it was the case that the building was put up last year on the street, the Committee on Streets, as follows: it was no reason why it should have been built on the same lines as before, now. The which they had paid money only a short | Frontenac time ago. It was not right that houses (Intario should be allowed to be built on the streets. They should employ a properly qualified man to lay out the streets and see the line kept. It was none of his business, but the authority of the Council should be maintained. Mr Martin should be compelled to move his building as well as Ald. Dupuis.

They must take action in the matter, as they ould not help themselves. The motion was carried.

PETITIONS. Ald. Carson presented the petition of Richard Evans, respecting taxes. Referred to the Court of Revision. Ald. Allen brought up the petition of George Spotswood, referring to a license for

his billfard saloon. Referred to the License

Aid. Drennan moved, seconded by Aid. Price, that the appropriations for Victoria, Raicau, Cataraqui and Frontenac Wards be reduced to \$1,000 each, Ontario and Sydenham to \$750, and that St. Lawrence be \$600. Ald. Drennan supported his resolution in

a few words. Ald. Dupuis spoke warmly in favour of reducing the appropriations to the outside Wards, and as a taxpayer he protested against having to pay taxes for the improvement of streets which had not been asked for and were not required. There should be a pride in keeping the centre of the city in good order. He would support Ald. Drennan's resolution. They ought to spend the

money where it was most wanted. Ald. Allen argued in favour of a paid Board of Works instead of the old system of Ward Committees. After a discussion made, Ald. Allen proceeded to urge that DOMINION those Wards in the centre of the city should be first attended to. So far as scraping the streets were concerned, it was true Victoria served and its present state, and slso pro. \$10; J. Conley, hydrants, \$3.68; pay list, Ward did not get a share of this, but if they shid it there they would scrape up the grass from their cows. (Laughter.) He believed it was impossible to build up the outside of the city, and leave the centre in a had condition. He intended to vote for the report, but was quite willing to go round and see if they could get any reductions.

Ald Carson moved an amendment to the effect that Sydenham, Ontario and St. Lawrence Ward appropriations be reduced 25 per cent. Ruled out of order. Ald. Drennan's resolution was then put

and lost seven voting for it and ten against, Ald. Metcalfe's motion was also lost, only two voting for it. The report was then adopted on the fol-

THE PARK.

Ald. Duputs submitted the report of the Park Committee recommending 100 new trees to be planted next fall, and that the money \$30 be now appropriated. Fence repairs and waste pipe to the pump, \$15; an opening for carriages, \$100; repairs to drains consider whether any real harm was done by. Ahl Drennan, report that they received ten- &c., \$55. - Total \$200. They also recommend that the park be opened for public driving under proper regulations. Ald. Drennan asked if the Chairman had

Newlands & Son, S. Jenkin, and T. Savage | done anything towards Victoria Park, as the fence was nearly finished. The report was adopted.

Ald. Drennan moved that the Committee on City Property be authorized to have Victoria Park ploughed, harrowed and sown with grass seed. Lost. Yeas, 7; nays 11.

MARKET REPORT. Ald. Gaskin brought up a report of the Committee on the market, stating that the interior of the Fish Market requires some repairs, the expense not to exceed \$15. They also recommend that a pier be built out on the water for the purpose of the fish-

ermen landing their fish. A difference of opinion was expressed as SATISFATION to all our customers. 1,200 to the power of the Corporation to build a pier on the water on the line of a street. Ald. Drennan expressed the opinion that the city had the power. Ultimately the report was adopted, with the addition to the motion that a legal opinion should be obtained before proceeding to erect the pier.

THE BUTCHERS. Ald. Gaskin spoke of the inability of the Joint Committees on the Market and City | = Property to agree on a report as to locating

the butchers. Ald. Drennan said the time for renewing the leases hul expired, and as things at present existed he would be under the necessity closing the Market gates on Tuesday, and shutting out both butchers and hucksters.

The subject then dropped.

PUBLIC WORKS, Ald. Allen moved the Council into Combroken stone be purchased by the city until mittee of the Whole on the by law to reguthe stone in hand be now spread. The Com- late Public Works in the city, which was presenting that the license fee of \$150 was for the construction of plankwalks for the The by law was read clause by clause. It

cations to be furnished by the City Engin- to be spent without direct leave from the Ald. Price moved that the petition be redeer; also that tenders be asked for for Council.
