FAIR PLAY.

If a few doses of a proprietary medicine fails to sure a malady for which it is advertised, some seek a physician, and contented. ly take his routine prescriptions for months, even though they receive no benefit. Is this fair? Suppose a traveller on a strange and dangerous road inquires the route to a town some twenty miles distant, and, after going one or two miles, concludes to abandon the road, because he cannot ser the town. If lost, could any one be blamed but himself? The Family Medicines manufactured by E. V. Pierce, M. D., of Buffalo N. Y., are a safe and certain cure for the various diseases for which they are recommended. His Golden Medi cal Discovery has long been the standard remedy for the cure of scrofuls, bronchitis, consumption, dyspepsia, liver complaint, skin discuses, and all impurities of the blood. while Dr. Sage's Catarrh Remedy, if used in connection with the Discovery, effect a speedy and perfect cure of the most agravat. ed catarrhal affection. For many years the diseases and weaknesses peculiar to women were regarded as incurable. The knife and caustic were freely used with but exception. al benefit. The success attending the use of Dr Pierce's Favourite Prescription induced tee to cure this class of diseases. If afflicted, do not delay or hesitate to try it.
