as large as a family Bible."

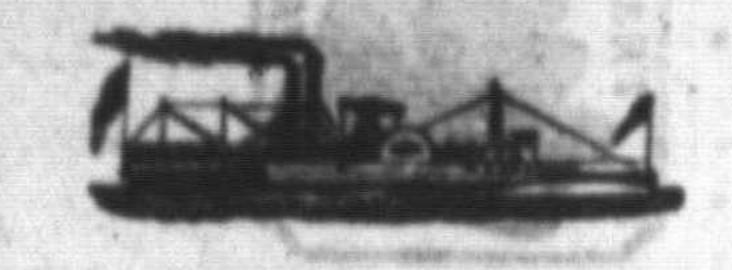

gave this test for distinguishing colourles hole in a card, and sees two small oints or two small holes, the stone is not a diamond. All white, colourless gems, with the exception of the diamound, he held, made the object examined appear double. In other words, double refraction, whenever exhibited by a stone, is proof conclusive that it is not a diamond.

Mr Bruce was satisfied from the way the race was mined to make and sell cheaper and better run, the condition Ten Brocck was in at | Pumps than any other Factory in the Dothe end, from certain things he saw and minion heard on the track, but above all from a despatch wired yesterday to Eastern sporting characters, that the schemers | W. H. had succeeded in their dastardly purpose so far as the use of morphine was concerned. The vile scheme was to give the drug in such quantity that Ten Broeck would be thoroughly under its influenc after the first heat, maybe sooner. It was expected that he might, probably would, win the first heat, but could never start for a second, Mollie was known by those best informed to be utterly unfitted to to cope with Ten Brocck. The despatch referred to evidenced that Ten Broeck had been "got at" in some way, for it was to the effect that "The horse is fixed-bet however, great animal as he is (miserab all, and won the race in two miles and half before the drug could poison him ef-fectually. Mr Bruce's statements apread talk of the city, some people stating that | 1 ing my friends and the public in gene- Open from Sa.m. to 10 p.m., except durin he had charged the act upon California: anybody could get to Ten Brocck's stall have expressed the opinion that he we then it would be beyond belief almost that those who had charge of him should
