Fall of a Wall.

the dark appearance of the sky denoted an approaching storm, but the indications were not sufficiently marked to create alarm Shortly after that hour, however, a sudden wall of the brick building in course of of it inwards and burying beneath the ruins a man named Hurley, a labourer, who was in the act of carrying material up the seafoscued some fifteen joists, thus lessening the force of the falling debris as it descend on Hurley, who was thrown down across the joists of the lower flat, with his head closepressed between the rangs of a ladder. He was picked up insensible and conveyed to his home, where his injuries were examined, nove of which are of a serious nature, though he feels pretty well shaken. He is doing as well as can be expected under the circumstances. Fortunately for themsolves the rest of the workmen engaged on the building were at work on the other end. Had it been otherwise we might have had to record serious loss of life. The crash of the falling wall was heard a considerable distance off, some of the residents of the neighbourhood attributing it to the fall of a thun der bolt. In a few minutes quite a crowd had diected around the scene of the accident. The | = 23 wall was sufficiently strong, but the unfinish. ed and only partially protected state of the pp. portion of the building left it exposed | " to the force of the sudden and unexpected pressure brought against it. The damage is onsiderable, and will be immediately repair ed by the contractors, on whom the loss

Political Notes.

From all appearances the Grits will have some difficulty in getting what is called a Free Trade Liberal to contest most probable they will fix on Ald. Stephens, who is a well known Liberal, bufavours Protection.

Torento Telegram — (Independent): The Globe would make it appear that Mr Brown and the present members of the Government are angels of light, but again we demur to such an estimate, and we are pretty sure that in this particular the Advertiser agrees with us-to some ex-

We are pleased to hear good news of would be deposited in a box certain docu- the state of feeling in North Hastings, and ments, which, should the church ever be that Mr Bowell has good expectation of torn down, would show that there lived a increasing his majority at the ensuing election. The electors of North Hastings know that they have got a good representative and have no idea of changing him for an untried man.

Montreal Star - (Independent): - Speculation is rife as to the meaning of the midnight interview just held between the Governor-General and the Premier. By some it is said to relate to the elections, which there are those who say the Premier is anxious still further to stave of as well to enable him to make further preparations as to secure for him continuance in office, at any rate until after the inauguration of the Marquis of Lorne.

Ottawa Citizen .- We thought it was "allright" in Nova Scotia and New Brunswick !!! The Globe said so; still, Messrs. left post haste for the scene of action. Well, we venture to predict that both there has been something wrong in the count down there. If the same individual to \$3.50. Senator Brown and his friends are being New Steel Grey Silk at \$1 per yard. terribly misled.

Dinner was served in the garden of Regi. | . The Brockville Recorder of Tuesday says: "Sir John went to Kingston yesterday to look after his constituency," and adds: "If he has any personal influence left, we advise him to remain in the Limestone city until about the first of The new church will be a very handsome October, if he wishes to have a seat at the Thanks. We have been so often told by the Grit organs that Sir John was so certain of being beaten in Kingston that there was little use of him troubling himmay have a chance of having "a seat at the Council Board of the Dominion.
