Your party is but a larger volume yourself in this respect. Lies when alone,

THE FREE TRADE POLICY.

The Free Trade party in Montreal are beginning to find out the awkwardness of write has commenced and will be an of the position in which they are placed. Just so. It was shrewdly suspected that advocate will not commend itself to a of the country was against the Govern- who will carry the close-up-the-manufacment. As the direct result of the course pursued by the Government manufacturing establishments have been closed and moved across the line; workmen have been obliged to seek employment in a foreign country, and trade has been made to suffer. At the last election two candi dates in particular pledged themselves to support a policy which gave some protection to the various industries of the country, but in the most disgraceful manner, tuency. Messrs. Devlin and Workman ignored these pledges in Parliament and supported the policy of the Government. It is no wonder these gentlemen are afraid to face the present campaign, the former, if he should run at all, hoping to be returned with success in his canvass. The address of Mr Ryan, the Conservative candidate in the Centre, has the true ring about it,

from which the following is an extract : "Regarding the policy of the present Govto assert it has been detrimental to the in-Government, to which our disasters, if not all around her. ment, no matter what its political name, shall receive my support unless a fair and just system of protection to our native industries be the main plank of its platform. My belief is that the leaders of the Opposi-
