The Rev. W. Jackson conducted the opening and closing services. On Sunday evening next Mr Jackson will preach a special sermon to young men on "Character Building.'

GRIT UNTRUTHS, -The Brockville Recerder of Saturday says :

"By telegraph we learn that an immense concourse of people assembled at Gananoque to-day, when Messra Mackenzie and Cartwright addressed them on the policy

and course of the present administration. The "immense concourse of people" consisted of between four and five hundred, the majority of whom were friends of Mr D. Ford Jones and Sir John Macdonald, as was evinced by their enthusiastic cheers. We may add that Mr Mackenzie was not present at the meeting at all, and that Mr Hunting. ton was. How many Grit telegrams and reports of immense concourses of people" are any truer than the above ?

FIRE. - Between seven and eight o'clock on Saturday evening a fire was discovered in McCammon's bakery, William street. The alarm having been promptly given the fire brigade was speedily on hand, and the fire was put out by the use of Baboock engines. The tire was fortunately discovered in time, else there might have been a great conflagration. The damage to the building was very alight, but we understand a considerable quantity of flour was destroyed by water. The origin of the tire was purely accidental.
