The Hamilton Spectator learns that Captain Harbottle, of the Chicora, has been offered a position, involving onerous duties; M.P., and L. McCallum, M.P., at Adkin's on board one of the New York steamers, during the winter months. He may accept it, but his acceptance will not interfere with his three years' engagement with the proprie-

yesterday morning the ballot-box stuffing case, until Wednes. the witness who refused to give evidence, on his oath compelled him to keep silence. "The decision in this matter," His Honour said, "is a most important one. I did not think it proper to decide on the question without well considering it in its different points and bearings: The instances quoted in support of a man keeping an official oath even before a court are few, and do not bear on this case. An official oath, especially o secrecy, has always some understood, if not expressed, reservations with it. His Honour concluded by saying that the Court felt justified in compelling him to answer whatever questions might be asked. Furthermore, as the witness was a Roman Catholic, he had consulted the authorities of that church, secular court thas the power to absolve a

person from such an eath." Jerome, Crevier, the witness in question, then took the stard. His testimony was as follows: He went into the room and saw Portelance and Savre make crosses opposite door of the store was closed during the poll ing day; picked up five stubs on the floor afterwards; the numbers on them correspond with the numbers of the electors in the po book; the numbers on them were 53, 104 and 88; withess was in the room the whole time and saw the box, except when it was placed in the sideboard.

Cross examined-He was absent three Would not swear there were any papers in the sideboard; there was a carpet in the room, striped and home-made. Believed stubs were taken from the ballot papers, and placed er it was polled or not. It was written on the in every particular. sidewalk. Gave instructions how to mark at the request of Mr Girouard. Two ballot papers were thrown away as spoiled. I felt disappointed at the manner in which the votes were recorded for Mr Girogard. He expressed his disappointment in the early pressed his disappointment. Witness expressed his disappointment twice. He heard Daoust say that money had been spent that

night, and for his part he said nothing of the asked; 1484 offered. Sales of 25 at 1484. Mr Collard, Deputy Notary, was examined Mr Crevier's cross-examination was then Louis Perrault was then examined -3,600 ment on two orders. The first order

To His Honour-My moral conviction is that there were no others printed. Cross-examined - The papers were counted put into parcels, and delivered by the fore-Saturday, and the 600 on the morning of Tuesday. His foreman could though. Mr Oliver, called a second time, testified that he gave the 600 ballot papers to three
