MUNICIPAL MATTERS. Toronto is becoming rather notorious of late in regard to its civic affairs, so much so that the ratepayers have become alarmed, of really heroic resolution that he should which they have given unmistakeable evidence. One result is the formation of

CIVIC ELECTIONS. There is considerable excitement already in this department, and in all probability there will be important changes in many of the wards as well as that of Mayor. For

MAYORALTY two candidates are in the field Mr James Just the Thing for the Season. Beaty, Jr., Q.C. and Ald. Close. Mr Beaty Just the Thing for the Season. was one year in the Council and made his mark, and even now the city is reaping the introduced and carried. Both gentlemen A chasing their supply of are Conservatives, both are Irishmen, and both popular with the citizens, and I have no doubt but the canvas will be carried on in the best of spirit and temper. So confident is Mr Beaty of success, and so scrupulous to keep his promise made to the electors last year, to go to the polls this year, that he techned the commation of East Toronto, which meant the leadership in the Ontario House, and which is an honour that any man might be proud of. [We differ from our correspondent on this point. Election for East Toronto does not necessarily mean election to the position of Opposition leader, It may so result in Mr Morris' case, but in

ed. - Ep. NEWs] S veral new candidates for aldermanic bypours are in the field already. There is a strong feeling to change the present Council. The city is involved in debt, the taxes are increasing, the streets and thoroughfares are blocked with mud, and the result is, that the patience of the people is exhausted and they are determined to have new men if pos-

. ST. ANDREW'S WARD I notice that Mr Samuel Wilson is a candidate. For two or three years back Mr Wilson has been pressed to run, but always declined. His election this year may be look. THE NEW is an old acquaintance of the proprietor of the News and is the junior partner of the firm of Taylor & Wilson, who are among the largest eigar manufacturers in the Dominion, and who have a large store on the corner of Yonge and Adelaide streets. Several other new candidates are in the field, so that

things are likely to be lively. . THE TORONTO PULLIT, This has been the subject of a scurrilous article in the Montreal Spectator, and written evidently by a man who knew really very little of the parties of whom he wrote. The clergymen referred to are well known to be first class men in their respective denominations, and some of them have passed an age which should have shielded them from the vulgar notices of such scribblers. Only think of the names selected for criticism as Rainsford, of the Cathedral, Topp, of Knox Church, Macdonnell, Robb and Briggs, every one of whom holds a high position in

the denomination to which he belongs. ARCHBISHOP LYNCH. This distinguished Prelate was made the recipient of a spleadid portrait by the St. Aleszus Society, of which Mr James Britten is President. . His Grace afterwards presented the portrait to the Society, who has it suspended over the President's chair. This Society appears to be zery useful one. The members visit the Central Prison, gaol and hospital, and administers spiritual consolation and other necessaries to the inmates.

THE "NEWS" is still a welcome visitor to Kingstonians in Teronto (whose numbers are gradually increasing), and is accorded no small share o credit in promoting the cause of Conservatism, which in September last so signally triumphed, and which to its credit be it said the News never flinched from advocating through evil as well as good report.

THE "CANADA PRESETTERIAN" is also pushing ahead. I understand that it has got the Government printing, which hope will prove profitable to brother Cobinson, who is well deserving the support of Presbyterians, in whose interest he labours | HEAD OFFICE : PICTON, ONTARIO,
