The sermon was preached by the Rev. Father Leonard, who took for his text Isaiah vii. 14. This was the first ap pearance of the reverend gentleman in the pulpit since his severe illness. The sermon was a rich literary treat. After Mass the Bishop approached the altar, invested with cope and mitre, and opened the service connected with the Office of the Forty Hours. The usual procession took place, after which the Host was placed on the high aitar. In the evening Pontificial Vespers were chanted at 7:30. His Lordship was assisted by Father Higgins, 'McWilliams and Spratt. The devotion will continue until Tuesday evening when the Blessed Sacrament will be solemnly replaced in the Tabernacle. The high altar was beautifully decorated and illuminated in the evening. The singing in the morning was very fine especially the rendition of the credo.
