HOUSE OF COMMONS.

In the House of Commons to-day, Sir Stafford Northcote, replying to an ining Mury and Flerat, the last given up as a | quiry, said the Russian envoy at Afghanistan pledge of good faith on the part of Shere, had returned to Russia, and that Count All ? The direction taken by Lomakine and ! Schouvaloff had so informed the Marquis of

> strong power they fixed the quarrel on a weak one, and involved the country in war. Mr Stanbope, Under Secretary for India, defended the Government. He repeated in substance the structures on the policy of the CITY OF KINGSTON, despatch, and said the present Government did not desire power or annexation, but

that were bound to provide for the security of the frontier. Messrs. Trevelyan and Chamberlain attacked the Government, pursuing the usual buse of argument. Mr Chamberlain announced that he had withdrawn his supplementary vote of consure because it was inconsistent with the forms of the House.

Mr Foster replied in detail to Mr Stanhope's speech. He said if the supporters of the resolution were in power they would aim at peace with honour, and take the first opportunity of coming to honourable terms by returning to the policy of former Indian Viceroys, Lord Mayor and Lord Northbrook, and assuring the Ameer against an unprovoked Russian attack. The debate was then adjourned,

London, Dec. 10 .- In the House of Conmous this afternoon, Mr Stanhope said the Council of India intended to increase native army of India by 15,000 men. They were not sending out any fresh soldiers from
