The present may not inaptly be styled the "Newspaper Age." A well conducted | dozen, cheap newspaper is a desideratum with the masses. It is the "Schoolmaster abroad" and is almost a necessity in every household. To enable the Chronicle and News, to maintain the high position which it and its lineal predecessors have held for upwards of seventy years in Canada, and to enable it to keep pace with the times, the Publisher begs to announce that, on and after the 1st of January next (1872), the folowing reduction will be made in the rates of annual subscription for the Chronicle and

SUBSCRIPTION CLUBS. There is scarcely a village in Central Canada where Subscription Clubs may not be formed for this Journal by a trifling exertion on the part of its friends. The inducement of cheapness is great, and the Publisher promises that nothing shall be left undone to keep up the high standard of excellence which has earned for the Chronicle | Consequently a call is expected from every and News the popularity which it enjoys with all classes, as a family newspaper, even with those who do not coincide with it in politics. POLITICS OF THE "CHRONICLE AND NEWS"

Not a few of the subscribers to the Chronicle and News take the paper on account of its recommendations as a family newspaper irrespective of its politics, but there are of course a large majority who support the newspaper as well on account of its politics COVPE as its intrinsic merits. To those and all others it is needless to say that it is, as it has been for upwards of 70 years, a Conservative newspaper, A Liberal Conservative newspaper keeping pace with the times, and one that on looking over its fyles | Worl it will be found has in all instances, when the interests of the country called for improvements in the laws or constitution, lent its aid earnestly and heartily towards carrying out necessary reforms. The Chronick and News is now what it always has been since responsible Government was established, a consistent Liberal Conservative Journal, and as such supports the present Ministry and the eminent Statesmen who have contributed so essentially to the establishment of the Dominion, Government and who now guide its destinies. On local questions, affecting the welfare of the Counties and the district known as Central Capada, the Chronicle and News will support all measures for the prosperity of the locality, which is indeed one of the

chief duties of a local journal. The general features of the Chronicle and News will be preserved, and full attention will be paid to the various departments of general and local intelligence, market reports, entertaining literature &c. December, 6, 1871.
