THURSDAY EVENING, FEB. 1.

The Daily News.

We have already referred to the attemy at civil service reform now being made at Washington, and the intense interest which the subject attracting among our American neighbours. The bill now before the Sonate to establish the system of appointment on qualifications ascertained by competitive examinations has been reported by a special commission and endorsed by the President. The radical nature of this proposed change and the entire destruction which it would bring upon the present plan of electioneer- gave the customary notice of its contents. leading peliticians are fully aware of the gone astray somewhere. great evils of the system, and profess then selves ready to make a reform, though they are not willing to comm themselves to so sweeping a change as that recommended by the civil service commission. Senator Fenton, ex-Governor of the State of New York, is one of these. He h by way of amendment proposed a bill which as an experiment is to be made at first applicable to the custom houses, which by all accounts stand most in need of reform. Senator Fenton's bill fixes the tenure office at four years, and prohibits removal At the Show Rooms, Brock Street. except for cause. This plan, he thinks, would arrest the majority of changes that are made for political purposes and would give security during the period of tenure. But it falls a long way short of the com-UNDBORG'S WHITE ROSE at Gordon's | pleteness of the reform proposed by the man referred to, that the commission, and is a mere experimental tinkering, designed to perpetuate the system of electionering, and the reward
