(Special Despatch to Daily News.)

The Alabama Claims Discus-

News from the American Cabinet anxiously looked for.

Lendon, Feb. 10.—Great eagerness is manifested for the latest news from America, everybody is anxious to learn how the action of England with regard to the Alabams claims is received. Special despatch- leading grades to which, however, buyers do es from New York and Washington to the not respond, though mere willing to pay late associated press here and private telegrams begins to be more inquiry for spring delivery, but as yet nothing has been alone. Page 1 AMPTON OF SARNIA, IN THE BOO Cords of Soft Wood but as yet nothing has been alone. to business houses are posted on 'Change but as yet nothing has been done. Peas as soom as received, and the bulletins are quiet at late rates. Provisions generally unparrounded by large crowds. Yesterday's 5,30 to 5,35. Butter-no change to note, Accounts; and any remaining unsettled after elution is fully reported by cable, together former prices, Pearls slightly better, closing Messrs Britton & Price's hands. with extracts from the editorials of the leading New York journals of yesterday. London, Feb. 10 .- Arrived out, the steamers Helsatia and Calabria, from New

harass the enemy. New York, Feb. 10. - The Times Washington special says there was only a brief and informal allusion in the Cabinet session to-day on the treaty question. Nothing has been received from London since Tuesday, and it is not true that an official copy of Earl Granville's note has been received by cable. General Schenck's telegram of Tuesday covers the note nearly in full, but as it was an unofficial cypher despatch sent for information of this govern- \$2.50 @ 3.50. ment, the receipt of the official copy through that any reply has been prepared. To on account of the sparseness of the crops last ply is ready in spirit, because the feeling season, but those entertaining such ideas are that there can be no concession is so evidently mistaken-in fine a scarcity dees unanimous in the Cabinet; that it does not admit of the customary discussion of auch subjects. This is one reason why allusions to the subject in the Cabinet have thus far been so brief and informal. The advantage of the position of this government in the matter is clearly seen and fully appreciated. There is, therefore, no oc. casion for anything but a quiet and firm attitude. There is one feature of the case known to some people here which renders | barrel ; 80c @ \$1.00 per bushel. the situation remarkable. The contents of Earl Granville's note are known to be sent orders, and quotations unaffected; \$8 @ just as foreign to the threatenings \$10 is asked. of Mr Gladstone's speech and the British | BEEF. - Each day brings forward enough press, as the correspondent of this government has frequently been to the wild ravings of Fenian leaders in Congress. There is not the slightest intimation that a disruption of the conference must follow, nor even an intimation that it would enhance the chances of a settlement, or relieve the situation of the embarrassment if this government would withdraw the claims for | in good shipping lots, and we quote from 9c to | consequential damages.
