The following Directors were worn by the young men this spring. We elected :- Mr A. M. Foster (President); W. Workman, A. M. Delisle, P. Redpath, Nelson Davis, N. Mercer, and John Tucker.

WHO BEGAN IT? We have been inclined to treat but lightly the disloyal, -revolutionary, treasonable, incendiary, shameful, outrageous, soul-harrowing and altogether perfectly horrible language uttered the other day by the Hon. Josep. Howe. That was because it appeared that the words, were uttered, so to speak, on the significance except what they have on the face. We are firmly convinced now that the view is a mistaken one; that there is a decountry from England, and that that plot has been hatching these seven years. It will be emembered that at first Mr Howe oppose Confederation; then he favoured it. Wh with a full sense of the awful respons that rests upon the answer, Why? And destroy the British connection. States has become a great war-like power; or commercial relations with the republic are seriously threatened; and every man in British America has now placed before him for solv done in view of the changed relations on which we are about to enter?"

It is evident that Mr Howe's remarks are but a rehash or repetition of these. These words are, so'to speak, the protoplasm treason: Mr Howe's are a second stage toward the finished article which by natural selection becomes revolution. But who is the arch traitor who thus laid the deep plot which the Secretary for the Provinces is now slow! evolving? We place the name of the treason hatcher upon record, that it may be handed down to remotest generations with scorn as that of the man who would dissolve the union so dear to all our hearts - who would rend the bonds that bind us to our beloved mother: who would take from us our share in the glorious old red cross banner which, in the in-Braved a thousand years

The battle and the breeze:" and leave us the youngest, the feeblest and the most despicable among the nations. His name is Brown-George Brown. He is the man who planned this villainous scheme, and now stands aside while his confederate Howe urges on the shameful work of disloyalty. Hamilton Spectator

"IT NEVER RAINS," &c .- John W. Selby a prominent commission merchant and class leader of Dr. Huston's church in Baltimore, has eloped with Miss Ada Turner, a Sunday-school teacher in the same church. Selby, the Baltimore Journal in forms us, "was a member of the firm of a commission house in this city which ranks among the most substantial and best. Its credit stands high, and the gentlemen com prising the firm move in the most refined and polished circles of society. In the church John W. Selby was looked upon as a leader and highly efficient member, and being so prominent, his attentions to Miss Ada Turner were frequently observed and commented upon." There is a growing believe, that Dr. Honston is innocent of the charges brought against him; but even if he is, the evil influences of such a scandal. of which the case of Selby is doubtless one. can hardly be over-estimated.
