Fur and other Winter Caps, has at last been announced to the British House of Commons. According to the tele- join the Herald in abusin will upon England to submit to the Geneva Tri bunal of Arbitration the question whether claims for consequential damages shall be submitted to, and discussed by that Board. Thus the matter has taken definite shape. It now remains for the British governme to say what stops it will take. The on courses epen, so far as we can see, are to allow the Treaty to go to the tribunal, leaving it for them to decide what claims peremptorily and at once from the Conference. The reply of the American govern- and Professor Bell, for their a ment seeks to compel a new admission them to open a question which is not once the resolution. touched upon in the whole negotiations. One thing is certain, the American people | well attended and successful, came to a clos are playing a deep game and a dishonest one. The question of indirect damages was never mentioned during the protracted discussions. They say, "England knew they never contemplated any settlement after Sumner's speech, unless on the basis of such damages." If so why did they not boldly proclaim it in the Treaty! They did not, any detective will ever get by arresting and the fact must remain that consequential damages were afterwards inserted in the bill of coats to appease Sumner, the thorn in the side of the Grant administration. But Sumner yet stands aloof, and the Uni- We regret to learn that James Seymour, ted States has gained from European tions another plank in the accusation of

· Correspondence. "THE MARRIED WOMENS PROTECTION ACT, 1872.

HUSBANDS." TO THE EDITOR OF THE DAILY NEWS. Dear Sir, -Quietly and unostentational

there was passed during the last session our local Parliament, a bill which will have the important effect of almost totally emancipating married women from the disabilities to which they have been hitherto subjected the enjoyment and disposal of their own pro-

sonal property then became the absolute property of her husband, who was also entitled to receive the rents of her real estate. In later times, however, and chiefly in consequence | yet of breaking up. It may last a month | of the chivalrous protection extended by the yet. The traffic this winter over it has Sunday in St. Augustine's College Chaps of the common law have been much relaxed. The Act of 1859 was a step in the right direc-
