abrogation of the Commercial treaty with tary Fish's reply. Belguim had been decided on. The new tariffs would be terminable every six months. In regard to the difficulties between Algeria and Tunis he would treat with the government of the latter and not with the Porte. He held England responsible for Russia's infraction of the treaty of Paris in the restoration of the Black Sea fortifications.

The Trochu libel case ended in an acquittal of the editors of the Figuro on the principal charge. They were, however, for insulting a government functionary, sentenced to one month's imprisonment.

The American Press on Earl Granville's Note.

Death of Professor Morse.

New York, April 2. - The World's Washington special says Earl Granvill's note is Compr. not of the nature of an ultimatum, but it is clear on the point that England will not submit to arbitration on consequential claims being waived on the direct issue as presented in the American case.

The Herald's'special says the President's visit to New York has been delayed in consequence of the note. In their answer it is believed our government will insist that the puted point. ...
