We will let the above pass for one of the who gave the money than any other disposal most profound pieces of toadyism we have that could be made of it. The distress of those more effectually in a free hospital than in any journalism. It is a wonder that the merother way, and to some such purpose as this chants are not invited to fall down before should be devoted the balance of the relief this "great personage" and humbly thank him fund. Two or three hundred thousand dollars would erect a building that would be a for condescending to permit their goods to be

It is admitted that Mr Brydges was "to rethousand dollars would, if properly invested, main in Kingston over Wednesday night, endow the hospital with a revenue that would leaving on Thursday morning at nine a.m., make it a self-supporting institution. We and consequently if he was to be seen at all it erect in Chicago some lasting memorial of must have been on Wednesday night. So Mr their generosity. To say that the story of Livingston very properly thought, as any man their noble charity will be pepetuated and this of ordinary intelligence would think, and in will be their witness is true, but it would also order, as he thought, to suit Mr Brydges and this expression of Christian sympathy had not | the merchants who felt themselves aggrieved induced us in Chicago to crect some monument (not the members of the Board) he gave notice upon which to inscribe the names of the do- through the columns of the Whig and News that they would have the opportunity of secing him at the Council Chamber. The Grand Trunk Depot, two miles out of the city, was not thought of by any one until now, where it appears that Mr Stephenson expected them to meet Mr Brydges. The whole trouble as far as we can see has arisenentirely through the thoughtlessness (to put it mildly) of Mr. Stephenson. He wrote to Mr Livingston propesing the meeting between the aggrieved merchants and Mr Brydges, that the latter would remain over in Kingston on Wednesday night, and he took no care to see that he should fulfil the engagement which he had entered into on his behalf with Mr Livingston causes of its collapse laid bare. Of the "Old It is of no use to tell us that he was to tele-Hartford" Insurance Co. it says: "Lastmonth graph, and that Mr Livingston should have the shares of the Hartford Fire were quoted done nothing until receiving that telegram, as in such a case it would have been simthat figure. It happens, too, that this is ply impossible to have had a meeting at all. We contend that it is as much for the benefit of the Grand Trunk as that of the merchants that a good understanding should exist between them, so that we fail to see why the merchants should be expected to fly out to the Depot to meet the "great man" at any hour of the night they were telegraphed for, which is just what the Whig hints at, and what Mr Stephenson evidently expected, judging from his actions, and if this is the only explanation that can be made by the parties, we

think they have not improved their position in
