on the parish roads, and a local journal supies a report of the proceedings. When the health of "The ladies of Barton" was proposed, the old fellows exhibited a shocking want of gallantry by taking no notice of the toast. The vice-chairman, when requested to respond to it, said, "He should do now't of the sort, as he wasn't over and above fond on 'em. Thomas Pots and William Hewson likewise sex. At length, the youngest of the com pany, a mere boy, only 69, acknowledged the

Courier, that a fair young maiden of this city will during the coming season enter into mamer by the dulcet notes he evoked from his charmed himself, during his stay in Buffalo. He fell a prostrate slave before the fascinations coming acquainted, reciprocated his affection. and an engagement resulted. The romantic plan was formed that the marriage should take place in Russia, where the great cornet player is now filling a star engagement; and we understand that the lady, accompanied by her mother, will shortly set out for St. Petersburg, where the nuptils will be celebrated.

When Mrs Isabella Beecher Hooker was pleading before the Williamantic selectmen for the admission of women as voters, she stated that she believed one of the gentlemen before her was in sympathy with the movement (re fering to Mr Lincoln, the town clerk.) Mr Lincoln asked her for the reasons for believing so, and she said she could see it in the twinkle of his eye. "I beg your pardon," said Mr Lincoln, "but that eye is a glass eye."

United States papers think there are many evidences pointing to a struggle between England and Russia for the possession of India, which is likely to come off perhaps even within this generation. Every new avenue of trade, whether railroad and canal which is projected in Western Asia, is now carefully examined in its bearing on this struggle Just at present the project of the Enphrates Valley Railroad is strongly favoured in England, because of its strategic importance in this anticipated contest; and an Austrian offi cer of high rank, understood to be the officer who holds the highest rank in the Austrian attendance of members was numerous.
