True Bill against O'Connor.

The Abdication Story a Pure Invention.

Liverpool, April 7 .- By the arrival vessels from American ports during past for No. 1 do in store; 1,70 to 1,75 for 24 hours, over forty-one thousand bales of | winter red western ; cotton have been received here.

London, April 7. - Further advices from Constantinople state that early this morning sales an appalling rumbling noise was heard fol- mixed western affoat; 74e for Southern mixed lowed immediately by three successive yellow and western. Barley quiet, unchanged, shocks of earth, the waves of which caused dull; receipts buildings to rock to and fro. The people 14,000 bushels; rushed terror stricken from falling houses, in store and shricked in dismry as they endeavoured at 13,12 to 13,15 new mess; 13,25 for eld to make their way from the city to the open for steam; and 9c for country. The River Orontes rose and swept | Butter 11 over the lower portions of the city. Two | Western. bridges across the river have been carried away, and great portions of the city walls have been thrown down. Assistance is ra- BURIED IN A BARREL OF GREASE. pidly arriving from adjacent cities and towns to the scene of disaster.

Mr John Bright will resume his seat in and was lightening a New Orleans steamer Parliament in a few days. He will, however, take no active part in public affairs, deep, and could not extricate himself. and has no intention of again entering the | called to his companions, but they enjoyed Cabinet.

London, April 8. - Yesterday the weather was fine and warm, the sun shining out get out unassisted. When the grease began with unusual brightness for the climate to permeate his trousers and steal into his THE SUBSCRIBER having started and season, London was in literally out boot legs his cries overcame his companions' of doors, the reclaimed lands along both relish for fun, and several stevedores tried sides of the River Thames, known as the Victoria and Albert Embankment at the lattempt to release him was made by lower-Victoria and Albert, Embankments, which | ing the hoisting steam tackle within his have recently been converted into reach. He grasped it with the grip of death, pleasure grounds were uncomfortably and held on until both he and the barrel of crowded with people. All parks were thronged from morning until night. Bands and Michael and the grease parted company of music at Regent's and Battersea parks with the tackle, and the barrel rolled on its attracted thousands, the River steamers break the barrel. This was done, and the were crowded to their utmost capacity, the bridges and all the public places were utilized by knots of working people, men, women, and children.

Liverpool, April 9.—The steamship City me feet off. of London and Spain, from New York, have arrrived.

at the Old Bailey have found a true bill against Arthur O'Connor, the assailant of the Queen, charging him with misdemean-Her Majesty at the time she was attacked by O'Connor, will appear as a witness against the prisoner.

Enquiry has been made concerning the pretended rumours of the Queen's abdicacurrently reported here.

The Queen's Visit to Germany.

A Strange Story about Abdica-

Hurricanes in Cincinnati and Bowmanville.

Baden Baden last week, between Queen Majesty abdicating in favour of the Prince of Wales was discussed. It is believed that the Queen, who, it is affirmed, has for several years past seriously considered the question of abdication, has decided to seek the counsel and advice of her Royal relatives of Prussia before taking any decisive action in a matter of such grave impor-

At New York one day last week, Michael O'Brien, while standing on the rim of a bar-London, April 8.—It is announced that | rel of grease slipped in. He is a stevedore, of hides and grease at her wharf in the East River. At the first dip he went in knee the sport too much to assist him, and he gradually sank until his teet touched the bottom. It was waist deep, and he could not Then the combined weights were too much, grease was stripped off Michael then knocked off for the day to commemorate his liberation, and walked away saying "Och, and what the divil of a plasther to put on a man's legs! Begorra, and it near dhrew

At the suggestion of the Archbishop of Can-London, April 9. - The grand jury sitting | terbury an advisory committee of clergymen and laymen has been appointed "for the purpose of occasional conference on matters of interest to the church in his diocese."

The Diocese of Litchfield is rich in Colonial our. Prince Leepold, who was riding with Bishops. The Diocesan himself (recently in Canada) was formerly Bishop of New Zealand. Dr. Staley, Bishop of Honolulu, and Bishop Abraham have been appointed to livings in the

This is the jubilee year of the Very Rev. ordained March 31st, 1822. On Thursday, tion; and there is no doubt that the whole 4th inst., all classes of his parishioners and story is a pure invention. There is not the other friends offered their congratulations slightest foundation for the pretence of upon the happy termination of the fiftieth such a rumour in anything published or livered to him at the porch of St. Luke's Church, after the services, at 9 o'clock a.m.

Considerable excitement exists among the sportsmen of the country over the report that the famous English race-horse, Sterling, said to be the fastest horse in the world is to be shipped for the United States, and entered for the Monmouth cup at Long Branch this season. His competitor will be Mr Harper's Longfellow. The heat is to be Harper's stables, in Kentucky, to Long Branch, without change of cars. An elegant box stall is to be fitted up with all the modern improvements, and the famous horse will be attended by his old master, who seems to love him as if he were his own

The German Empire is costly to the smaller New York, April 8 .- The Evening Mail States which compose it, and which used to has a special cable despatch, which says enjoy cheap Government. Taxation is growthat it is reported that at an interview at | ing at an alarming rate, and is beginning to give rise to a demand for centralization. income tax is greater by a third in the Grand · Victoria and the Prince Imperial of Prus- Duchy of Coburg than in Prussia, and as the sia, the question of the expediency of Her penditure is to get rid of some of the officials, a strong desire is growing up for a consolidation of jurisdictions. This will tend to make Germany more completely homogeneous.

Miss Hoag, of Evanston, recently died very suddenly, as her friends imagined of consump tion. Her physicians were of a different opinion, and decided to hold a post mortem examination. The result showed that a piece needle had been driven into the heart, and explained by the fact that the lady when 7 years of age, received a fall, breaking a needle her left breast. How it worked into the vital organ and how the victim lived so long is a mystery even to the medical faculty. The strangest part of the affair is that the needle, which was extracted by Drs. Blaney and De FARMERS Laskie Miller, was an inch and an eigth in length, and of large size !
