OUR NEGLECTED YOUTH. TO THE EDITOR OF THE DAILY NEWS. Sir,-Those of your readers who were pre- better than cure, and the most hopeful efforts

sent at the very interesting anniversary meet- will be these which take effect on a younger CAPT. WM. LEWIS, Sole Agent for Binks | iog of the Orphans' Home on Tuesday even- class, in regard to whom a responsibility suredience the necessity of paying more attention | priate in Canada as in London, "Philosophers, to a matter vitally affecting the most impor- Philantrophists, Politicians-while you have Trusting from the quality of workmanship tant interests of the community,—that of the been theorising and discussing, debating mental and moral improvement of its neglect- wrangling, legislating and administering beed youth. One of the speakers alluded to the | tween you all, gentlemen, where has Ginx's fact lately noticed by yourself, of the alarming | Baby gone to?" deterioration, during late year, of the manners and merals of the Kingston boys, of the sad | Kingston, April 18, 1872

increase of [petty offences, awlessness, and profane language, and to the height this has reached in disturbing even the order of our public assemblies, to say nothing of darker offences, such as for instance a recent dastardly assault by night on a poor defenceless woman in her own house, the perpetrators of those who are now disturbers of the public as human possibilities go, placed them on a fast descending grade for life. One of the

tap-room, chattel, ranting revolutionist and | The propriety of a law for compulsory eduannexationist, recreant, barefaced purchase cation was ably discussed, the objections as for money consideration, a contemptible old well as the reasons in its favour being clearly man who betrays his colleagues and black- stated. It was observed that in almost every case education must be compulsory at first, as Now we submit this is too bad. We have few children would voluntarily submit to the no desire to rake up the old seres, or to say drudgery of acquiring its first elements. And where parents are too thoughtless or degraded to care to use the family compulsion, which all wise heads of families exert, is it not then time for the heads of the community to interfere ? Mr Templar, an English writer on the subject of education, especially among the lower classes, believes, "that a legal power of compulsion would frighten most of the negligent parents into sending their children to school, principles that as soon as an Opposition pa- and that the residuum left for the law to operper is started, with good hopes of success, it ate upon would be small; but whether small should sully its pages by admitting lan- or not, it should be acted upon without fear guage which only tends to disgrace the user or sympathy, and our sympathy ought rather and damage the cause he wishes to sustain. to be given to the poor neglected children than The Canadian press has too long indulged to the selfish, negligent parents." These in such pastime, until now in many cases | children, boys and girls, who from sheer want the faculty of judging rightly is all but of being taught anything better, are growing gone. Such is the usual fate of this course up to temporal and spiritual ruin, have they not for their own sakes, apart from the interests of the community, the most argent claim upon our Christian sympathy and efforts? The Orphans' Home has done much and is still doing much, both in the Institution itself and in the schools which are carried on under THE TREATY ABROAD. - For a real down- the supervision of the committee, to save unite us to be far greater and more enduring And so Mr Fish has the materials ready for than the accidents which separate us. In proving her deception in the very face of the some common work of charity—the managebest wishes for peace, and the desire to do ment of a school, the care of a home, the imher full duty as a neutral. Here is how the provement of the dwellings of the poor man will find the solution of a difficulty for which
