London, April 22.—The Duke of Rich- rs Italy and Wyoming, from Liverpool. mond in the House of Lords, and Mr Dis. raeli in the House of Commons, gave notice last night that they should question the Government to-morrow as to whether it was prepared to give Parliament and the country the assurance that further proceed ings before the Geneva Board for the arbitration of the Alabama claims will be suspended unless the claims for indirect damages are withdrawn and abandoned by the Government of the United States.

In the Upper House, Lord Oranmore wanted all the papers produced; also the minutes of the conversation accompanying the presentation of the British counter case at Geneva. The record, he believed, would | 200 fancy placed at 6,20, and a limited amount prove humiliating to the country. He de-American Government any question as to nominally unchanged. London, April 22. - Alluding to rumours for new mess prevalent on the one hand that the United States will withdraw their extraordinary claims, on the other that they will maintain President Grant consists in keeping the 221c for refined case unsettled, until the 15th of June the time for re-assembling of the arbitration tribunal at Geneva. The duty of England under the circumstances is plain : she should proceed no further in arbitration, if the claims of the American Gov. ernment for indirect damages be not withdrawn. The Times strongly urges the adoption by parliament of the motion of Lord Russell who has announced his intention of moving an address to the Crown for a suspension of proceedings on the part of Great Britain before Geneva tribunal, until the American claims for indirect damages are withdrawn.

Madrid April 23. - The Correspondencia says that thirty Carlist bands have now appeared throughout Spain, the largest o which are impelled chiefly against the provinces of Navarre, Leon and Pontevred. The government forces encountered some of of the United States are going to London to the bands in Navarre, and defeated them, capturing one of their leaders, a priest who, | world .- N. Y. Sun. it is reported, was in mediately shot. Generals who are members of the Radical party have offered their service to the governme to assist in suppressing the demonstration of the agitators.

London, April 23. - Arrived out, the steamers Iowa, Leipsig, and Republic.

It is now believed that the steamship Ispahan, which left Bombay in January for P this city, and which has not been heard family from since leaving Malta on the 13th Feb. when necessity made them seek Eng ruary, foundered off Brest, France, during the teritic gale. Fifty persons who were on board the Ispahan are supposed to have gone down with the steamer.

The weather throughout England is fair and favourable to the growing crops.
