And not only in his class has his influence been felt : he has ever taken an active part in the various secieties organized by the students foster an earnest study of English a great part to his active supervision and ada midance. The classes, too, for ladies found dear himself to the University, and in no & Co., Princess street. case has he failed. We hope his example will continue to bear fruit, and that the efforts put forth by him to extend a love of scheme for her welfare. We wish the Pro-Tossor every success in his new sphere of

PITY THE SORBOWS OF A POOR OLD MAN .-The Opposition having become demoralized in the House of Commons, and their best efforts made the subject of ridicule, it would have been expected that some show of vigour would have been tade by the press outside. But alas! he Managing Director too has lost heart, and is making appeals to the moderate men of the Ministerial party to come ver into Macedonia and help the failing cause. We are also treated to a little rapdom shooting at the servile majority, a sure sign that all is not serene in the Opposition ranks. But it will astonish most people to find that the burden of attack is just new in further opening up and improving the at least it is certain that there is no other country. The deluded Grit organs can see | which the published death rate is so small. in this fact only a vast scheme of cerrupa, and are calculating how much of this tidates at the ensuing elections.
