Washington, May 14,-The submission convinced of the justice of his views of the new article of the Treaty of Washington to Senate is with the view of obtaining the opinion of that body upon to guide el States he is of the opinion that he James Durand, Esq. For particulars inquire retail, at . the President in the formal action in the could not abandon them except after of H. K. Sheldon, or R. G. Vaughau, Princess negotiations -in other words, it is not now a fair decision by impartial Arbitration. May 45. before the Senate for ratification. Although | He seeks, no meaning in the treaty which is there has not been any general expression not patent on its face. The United States as to the result the opinion obtains credence | have put forward the indirect claims from the President in the premises.

transmission to the Senate. the differences of opinion which have arisen | tent to accept any award that the tribunal between this government and that of Great | may think fit to make on their account. It is Britain with regard to the powers of the within your present knowledge that this gov-Triben i of Arbitration created under the treaty signed at Washington May Sth 1871. I respectfully invite the attention of the unreasonable precuniary compensation on their Senate to the proposed article submitted by account, and has never entertained the visionthe British Government with the object of ary thoughts of such an extravagant measure removing the differences which seem to of damages as finds expression in the excited threaten the prosecution of the arbitration language of the British press, and seems most and request an expression by the Senate of their disposition in regard to advising and consenting to the formal adoption of an minds even of some of the statesmen of Great article such as is proposed by the British government, The Senate is aware that the consultation with that body in advance of entering into a greement with foreign states has many precedents. In the early days of the Republic General Washington asked their advice upon the pending ques- | Local tions with sach powers. The most important recent precedent is that of the Oregon boundary treaty in 1346. The importance of the results hanging upon the present state of the treaty with Great Britain leads me to follow these former precedents and to desire the consent of the Senate in advance of agreeing to the proposal of Great

Britain. (signed) U. S. GRANT. Letter No. 1 is from Earl Granville to Minister Schenck, dated Feby. third. After acknowledging the reception of the American case Earl Granville says: I will inches. not allude in this letter to the several pro- ' The Barometer is read, corrected for tempositions of the United States which are of perature, and reduced to Sea Level. comparatively smaller importance, but Her Majesty's Government are of opinion that t will be in accordance with their desire that no obstacle should be interposed to the prosecution of the Arbitration, and that it will be more trank and friendly toward the Government of the United States to state at once their views respecting certain claims of an enormous and indefinite amount which appear to have been put forward as matters to be referred to Arbitration. Her Majesty's government hold that it is not within the province of the tribunal of arbitration at Geneva to decide upon claims for indirect losses and injuries put forward in the case of the Unit ed States, including loss in transfer of the American commercial Marine to the British flag, the enhanced payment of insurance, Oats per 32 lbs, 36 to 37; old and the prolongation of the war and ad- Barley per 48 lbs, 59 to 55c. have stated above the importance which firm establishment of amicable relations be- | bbls in store; 73,066 exclusive of about 110,000
