Washington, May 18 .- When the decree of Tenno of Japan abolished all edicts against Christianity was made known, the Buddist priests, already despoiled of their lands, protested against this act. Ten unarmed priests attempted to force themselves into the Emperor's grounds to have an interview; they were met at the grand gate and refusing to halt, five were cut down and the others retreated. This is all there is of the story of the attempted assassination of the Emperor. The return of Governor Ito, one of the Embassy to Japan, was for the purpose of obtaining the required authority to complete the treaty between the United States and Japan now being negotiated at the State Department. Despatches were expected yesterday, but it is understood that the cable communication between Nagaski and Hong Kong has been broken.

New York, May 16 .- Quite a heavy rain storm occurred in this section of the country to-day.

Chicago, May 19 .- During a terrific rain storm which passed over North Western Iowa, and Dakotah on the night of the 15th, a large waterspout descended to the earth, striking a few miles from the White Swan, Dakotah, and covering the earth for a great distance around with water to the depth of from eight to thirty feet.
