(Special Despatch to Daily News.)

Paris, May 23.—The Prince and Princess of Wales are expected to-morrow. The Paris journals generally agree in expression of the opinion that the debates in the Assembly on Tuesday and Wednesday the friends of the Emperor. The journal Des Debats says the result of the discussion is a parliamentary Sedan. It is understood that the Party of the Left in the Assembly will after the close of the impending trial of Marshal Bazaine, demand the impeachment of the members of the Ministry

under the Empire. London, May 24. -The Atalanta and London crews have agreed upon the 10th June as the day for the race and 4.30 p.m. as the hour for the start. The new boat, ordered by the Atalanta, is being made by Biffin and will be completed by Wednesay next. The Pall Mall Gazette says that the American crew pull in a style which is simply perfection, and that between it and the Londoner's the difference is plainly

General Greaves, who was present at the Battle of New Orleans in 1815, is dead.

The steamship Baltimore has been hauled off the rocks and will be towed into port Madrid, May 25.-The Carlist bands, which were announced yesterday as having appeared in some of the provinces and cut the telegraph wires, have not yet been suppressed. They are still active and continue to sever railroad and telegraph communic ation between various points.

Madrid, May 25. - Marshal Serrano has declined to form a new Ministry, and Admiral Topete has consented to perform the duty. The new government will be composed of members of the Unionist party. Topete will exercise the functions of Minister of war ad interim.

Paris, May 25. Perierr, Bon, and Bondin, three men who were tried on a charge of participation in some of the most outrageous acts committed in this city during the reign of the Commune, and convicted and sentenced to death, were executed this morning at Salony. They exhibited ne emotion whatever at the last moment and died crying "Vive la Commune."
