The course then is stated to be temporary. other pattern, the wheels in all cases to be of the entry of the Blake Government into We will place in the hands of any respon- office, and they have held the reins for over

The excuse of carelessness and mismanagement is the veriest rot. Does our contem-The judges to be non-residents of Canada, people to enter a territory, and never make and to be thoroughly well informed in the any enquiry as to whether they remained mode of testing the power of turbine wheels in the country or left it? Does he wish to each party to choose one judge, and the two make us believe that every Crown Lands The owners of the winning wheel to have agent in Ontarie was so utterly careless as and such lots were occupied, and that he could not locate them to anybody else? As The wheel to be tested at 1, 1, 1, 2, 2, and to the poor excuse of the Departmental party to give good and sufficient books, that will not help our contemporary any better. We have yet to learn that the Departmental books are the places where information to immigrants is obtained, and various lecal agents. To say that the whole We claim that we are the only makers of immigration into the country, and all settlement in it is to be stopped because a few out a RIVAL in the WORLD IN PRACTICAL RE- | entries, a statement we beg leave to doubt. are to be made argues small credit to a journal which discourses learnedly at times on ed on this continent exceed one-sixth this suggest that a case of non sequitur has b made out against the distilled essence of

Then about the inspector. Ontario is a large country, and its free grant lands are pretty widely separated. This gentleman will have to work very hard if we are to get free to his report this year. It really seems as if our contemporary in his laudable efforts to make out a case had been somewhat unfortunate. It would have been far better to have left the thing alone, rather than by him admissions to have acknowledged the fact of

the existence of such a state of affairs. Would anybody believe for one instant that because two or three men went into the Free Grant districts, and located perhaps without any definite idea of their posiand known as the "Leffel tion, that it was necessary to withdraw all the Crown Lands from sale until the preto no other parties in Canada. Without the cise position of these few men could be asinformation we have given to Mr Glen, no one cortained with accuracy ? We said not a word about Free Grants or any other grants. We called attention to the withdrawal of all the lands and our contemporary in his anxiety to support his case, makes a grand flourish about the Free Grants alone. This is another illustration of logical accuracy and fair-dealing.

> tario Government in their efforts at inducing immigration. By the way, who is the Inspector? Did some of the expectant ones scent the plunder from afar, and see a good fat birth for a get him a good round sum, and will save
