London, June 4. This evening there was full attendance of the Peers and the gal-

bitration at Geneva, if the claims for indir- enthusiastically cheered. ect damages are not withdrawn by the of his motion. He reviewed the events at 931; account, 921. Tallow firm at 54s. The Government, he said, should Corn 27s 6d. Treaty was ratified. The honour of Govgance which was not to be found in the American case. He held the English negotiators had mismanaged the business. He complimented the Canadians on the Treaty, and concluded as follows :- "The winds over the north-west. nation must show, as it has before, that it is jealous of its honour. It must treat the

Trent case." (Cheers.) Earl Granville followed. He defende the right of the American Government place its own construction on the Treaty of Washington, and to introduce the direct claims. The only way to escapa from the consequences of the opposite interpretations put upon the Treaty by the two Governments, was through a supplemental article, of which this Government. availed itself. Therefore Earl Russell's proposition did not touch the point at issue He defended the Commissioners who negotiated the Treaty, those who acted for the just published it was generally approved. republican party is pludged to clevate Ameridirect claims would be withdrawn, and they believed the American Government had so | Fifth-that for the encouragement o admitted. The aspersions on the Govern- American industry direct internal taxation ment Commissioners were groundless and should be removed from all necessaries of unjust. He rebuked Earl Russell for his life and such import duties levied as will allusion to the Trent affair; declaring that it would be the cause of incalculable ill-feel- enable American preducers to enjoy their

United States as it treated them in the

settlement. He warned their Lordships that there was no good, but much harm, in irritating expressions and resolutions. Earl De Grey and Ripon remarked that

if the negotiations proceeded as at present, the country would be committed to any mistake the Covernment made.

were needlessly alarmed. Even if indirect | seven States this evening gives Colfax, 262; claims were passed, he doubted whether Wilson, 227. the House of Commons would pay the bill. The Earl of Derby disclaimed party feeling on the question. He had been told he

cans. He could conceive of no poorer compliment to Americans than the apprehension that a frank, plain statement might be a cause of offence. (Cheers). He did not want to quarrel, or to break off negotiations. He wanted to know where they stood. The negotiations were either unable to see what was plain to everybody, or had determined to make a treaty with their eyes shut: the understanding be clear that the indirect claims are excluded why are they not excluded in plain terms? (Cheers. The Earl of Kumberley regretted that the impression that the House had determine ed that the Treaty should fail, and the real object and spirit of his speech was its diference. He must know that the words whereby

sent of the American Government. The Marquis of Salisbury regretted that Earl Granville should throw the responsibility on the Joint High Commission. He partly alluded to the selection the Governconfessed he had no very warm regard for | pleasant weather will continue very generfelt they ought to withdraw the indirect claims, would not plainly do so. The debate was continued by the Earl of Malmesbury, in favour of the motion, and the Mar- lakes. Dangerous winds not anticipated. quis of Ripon against it.
