partially cloudy weather prevail ou Saturday | Mail Correspondent, ever the Gulf and South Atlantic States. Clear weather and westerly to northerly winds from Tennesee to Lake Erie and the upper lakes, and extend eastward over the Middle States during the day and over New England on Saturday night.

Toledo, June 8. - A furious storm of wind and rain passed over this city last evening, causing much damage to property and loss of several lives.

the 19th. 20th and 21st insts.

New York, June 8 .- A Herald Wash-

"I am now authorised in a telegraphic dethe Government of the United States re- ing wilderness. classes of the Indirect Claims put forth in the case of the United States to which the Government of Great Britain have objected.

The Herald's despatch says this note is not approved here in Washington. The authority of Minister Schenck to communicate to Earl Granville the views of his government as to the meaning of the supplementary article, was not intended to cover any written communication to help the Gladstone Ministry in their contest with their opponents in Parliament. He had been already informed we were dealing with the British government and not the Parliamentary opposition. The President considers it compromising to the honour of the country, to give a written pledge in advance of what the new treaty is to mean, Ottawa Citizen. tious critics of the British Cabinet on the Senate's article were exhausting the patience | him. of the government and country; and were involving the chances of a settlement of the question, the new article can be ratified if submitted before the Senate adjourns on Monday, but any amendments or explanations insisted upon by Great Britain would make the ratification impossible. This is to be impressed upon Earl Granville and it is to understand that this government recognizes no way of postponing the presenmuch dissatisfaction on the part of Senators
