with the views of the majority. President

The French Government has completed a draft of a postal convention with the United States.

Congress to be be held at Washington.

animated discussion which resulted in a it for the present. Coquetterell, who is at the head of the liaction of the orthodox majority, withdrew from the Synod. .

gradual evacuation of France as the instalments of the indemnity are paid, are pro ceeding satisfactorily.

Geneva, June 14. - Nearly all the gentlemen connected with the board of Arbitration under the Treaty of Washington have arrived here. It is believed that the board will adjourn immediately after the meeting, but if an agreement to adjourn cannot be reached and the meeting is pro. longed, the sessions will undoubtedly be

villa obstinutely resisted the representations | 1 ress. of the committee sent to induce him to come to Madrid and accept the Premiership and Ministry of Interior. The King has issued a decree proroguing the Cortes.

Lisbon, June 14. There was an extensive conflagration in this city yesterday, and rapidly drew her down backwards into the time threatened to destroy death appeared inevitable, as hoping to the Custom House and Exchange. The flames were finally checked and those buildings saved. The less is very heavy.

City of Mexico, June 7. - Congress ad journed after passing the tariff and a bill granting ample facilities to the President. Peace prevails in a majority of the States. Business prospects are better.

Bangor Ma June 14. "Governor Wilmot, of New Brunswick, passed through this cise a proper amount of carefulness in movcity this evening on a visit to Boston. He ing about or around the machinery. leaves Boston in time to attend the farewell banquet to be given to Lord Lisgar in

Montreal on Thursday. New York, June 13. The Herald's special states :- "All the arbitrators have arrived, except M. Stempfli, who is expecte this morning. The arbitrators meet on Sa turday at twelve at moon at the Hotel Ville. It has been intimated that the resul will be unsatisfactory to the well wishers of the treaty. A Queen's messenger has just arrived with despatches at midnight. Om of the commissioners has just informed me, that nothing is at present known as to what answer the arbitrators will give to the English demand for an adjournment. It probable that on opportunity will be given to state the matter of difference before the arbitrators. Neither side now apprehend failure. The time of the meeting of the arbitrators has been postponed until the arrival of the neal train late in the afternoon.

> An embarrassing and almost fatal accident happened to one of the young girls employed in the paper mill at Newburgh, on Friday last. While engaged at the paper cutter, the skirts of her clothing became entangled in a shaft running horizontally extricate herself she delayed giving the alarm until it would have been almost impossible for the machine tender (who sprang at once to her relief) to have stopped the machine. Fortunately for the young girl, when in almost another instant she would have been dashed to pieces around the revolving shaft, her clothing parted at the waist, and she was relieved from a perilous if not embarrassing position. There is no fault to be ttributed to the Proprietors of the Mill, as every precaution, we are informed, is taken by them to prevent even the possibility of an accident; yet hands, as well as visitors, particularly ladies, should exer-

> > POLITICAL.

The Grit papers are just now protesting against personalities and abusing Dr. Tupper's father who was a Baptist clergyman.

The reason why Messrs Blake and Macken-zie was so angry at "Costigan's dirty little bill" is that they expended their last particle consistency in retaining their two seats by a bill which does away with dual representation, and they are unable to meet the Cost-

A Grit sheet printed in Guelph says that the reasons advanced for giving an additional representative to the three cities, Toronto, Hamilton and Ottawa, "are of the flimsiest kind imaginable." The Globe must look after that paper; it will not do to have the Grit apple-cart kicked over in this manner. Black

letter him at once. We suggest that Mr Blake introduce a law making any reference whatever to the township of Proton a criminal act. Mr Mackenzie | Jan 1. might attach a provision that any reference to under valuation of Crown Lands shall be nished by imprisonment at hard labour, during the pleasure of the Hon. George Brown.
