THE TRUST AND LOAN COMPANY OF CANADA.

The annual general meeting of the Trust d Loan Company of Canada was held on the 30th ult., Mr E. P. Bouverie, M. P., in the chair, when the report was adopted and a dividend of 4 per cent for the halfyear declared. Besides paying this dividend, £4,882 was carried to the reserve fund and a balance of £1,698 4s 4d brought forward to the credit of the next half-year's account. The Chairman said-As regarded some of the features of the report they were of a similar character to those which the directors had been lately in the habit of giving to the shareholders. The principal item was the dividend, which they were able to declare out of the balance. It was at the usual rate of 8 per cent. There was one feature in the report, however, which was an unsatisfactory one, and that was the large amount which had to be written off against the reserve fund for losses on the realization of securities, which was no less than \$5,665 8s 2d, being an excess of \$872 Iced Soda Water, 12s 3d over the amount, \$4,882 15s 11d, Iced Soda Water, which under the provisions of the charter had been carried to the reserve fund during the last half-year.
