received parliamentary honours, in the old | tions now before the country. days when South Oxford and South Brant were one country. The children of the same men who elected him then, will now have the opportunity of showing their appreciation of an old friend, who has done so much for the country at large. We do not anticipate for him any opposition worthy the name, for as fer their last representative, the Hon. E. B. Woed, we think that the renegade is deomed to "speak now" no more for any constituency in the country. - FRUIT JARS, FRUIT JARS. W.

A gentleman, well-known in Ireland has lately died at the age of ninety-twolyears of age, terminating an eventful career. Major John Humphreys, of Milton House, Sarabane, was FRUIT JARS, Jelly Cans, Salt Jars, born at Norwich, and having lost his father | Cheap, at at an early age, entered the Marines, his ser-vice in which corps was very brilliant. He was at Copenhagen, and obtained the medal awarded to those present at that terrible bat- BOYDEN & REES' tle on the Deserce frigate. He ever after delighted to tell how he had seen Nelson going into action on the day, and how after the battle he fell asleep in his berth and did not wake for twelve hours. He was at St. Domingo during the rising of the blacks under Christophe, and nearly lost his life while saving women and children in his ship's boats from the Mozart fury of the negroes. In the year 1804 he was shot through the body in a cutting-out affair and pensioned, so that he, having been in receipt of the Royal pension since that date, was the eldest pensioner on the list. He obtained, after having been Recruiting agent, Brigade-Major at Tyrone, and Inspector of taxes, the post of agent to the Duke of Abertaxes, the post of his estates. This post
