The meeting dispersed at 10 o'clock with enthusiastic cheers for Sir John and Lady Macdonald, the chairman and Queen.

Meeting in Victoria Ward.

A very large and influential meeting of the electors of Victoria Ward was held last even ing at the Grove Inn. Alderman Macdonale presided, and in a brief speech introduced Sir John to the meeting. On his appearance Si John was received with three hearty cheers When it had subsided he said he appeared before them with mingled feelings of regret and pleasure. Of regret from the fact that th last time he addressed them at that place Mr Hugh Fraser was chairman, and Mr James Morton had moved the first resolution, and now, alas, both are gone. Their sons and descendants and friends, however, would vote for and support him as warmly as their fathers which he claimed credit for his Government, morrow. coming up to the polls early on Thursday their opponents would be routed. (Cheers.) Wards, and as he drove off he received three Northumberland-W. R. J. Cockhe rousing cheers. After he left the meeting was He addressed by Alderman McDonald and other Northumberland, (N.B.) - Peter had electors of the Ward, urging the propriety of giving Sir John their hearty support. VAN AMBURGH'S SHOW .- We have no anxicty to give the use of our columns to anything not strictly meritorious. The great Van ATPARKHILL'S. Amburgh collection of living animals will be here on the 9th, and we only do our duty, in saying that there never has been at any place another exhibition which comprises the most wonderful productions of nature from Europe, 10 Cents per 10. off Tell Asia, Africa and America. The European agent of this mammoth establisment has just sent an invoice of the most rare and wonderful animals ever seen, which joined the establishment at St. Marys, Ont., early in June, and the whole will be in Kingsten.

LARCENY-SHARP PRACTICE .- This morning, one Hatnan, the owner of a barge trading MOCHA COFFEE. on the Rideau Canal, drew from a wood contractor over \$100, and took it heme, intending subsequently to expend it in making some necessary repairs to his boat. Fond of a glass, AT PARKHILL'S. he called in a young man named Smith, with whom he drank, and then showing where the money was deposited, and very foolishly stating the amount, Hattan departed for a fresh supply of the ardent; and during his absence Smith took his leave also, with the hard cash in his possession. The larceny was discovered on Hattan's return, and search made for the thief, who was arrested, the missing money being found on his person, with the exception f \$2 or \$3, which had been squandered. Smith is new in the police cells.

RIDEAU CANAL.—The repairs at Kingston DRY GOODS and being pushed with great energy day and night. It is expected that navigation will be resumed in about ten days.
