He heard her call him again and again, and he plunged in to find her, but in the darkness of the night he could not, and her voice growing fainter and fainter warned him to expect what he found the next morning, when her body was TEA, picked up miles from the scene of the wreck. As I turned from this sad sight two little coffins were brought upon the depot. One ontained the body of the little child of Mrs. Gerrard, who fastened her two children to her bed when the raft broke up and struck boiling surf, which, after beating it and buffeting it till its life was gone, tessed upon the sands, and mercilessly spared its mother and sister. In the with whose death was a piteous tale. There were on the propeller a mother and three children, one Nannie Brasher, a HENDERSON'S. three children, one Nannie Brasher, a lovely girl of eighteen, and the others twins of the age mentioned. When the vessel foundered these four were on the hurricane deck, each belted with a life preserver. The mother took one child in her arms, the daughter the other, and hand in hand they atood upon the fragile raft when it was floated off upon the ocean. The first sea that swept over them they withstood, but another quickly following bore them away. Still clasping each others hands and clinging tightly to those they were risking their z z own lives to save, they floated for some minutes that seemed hours when a heavy spar darting by struck one of the children, crushing its head and killing it instantly. Still its protector clung to it until a heavier wave buried them deep in the water and involuntarily they clung to each other for safety. When it had passed both children fearfully upon the elder woman, and in a was wanting, and with the words "Trust The remains of the late Captain Fersyth the Saviour, Fannie," she yielded, and her the Field Battery of which he was Captain, ter held her in her arms for hours, her fast the Garrison Artillery and the Cavalry, turn-stiffening hand clutched convulsively in her Close by those pine boxes on the platform --then moved gently back in silent awe stood a Music and Music Books. whose inscriptions passengers first read and
