TUESDAY EVENING, OCT. 1.

TO SUBSCRIBERS.

RUIN AND DECAY. -- The Province were \$1,852,977; and the expenditure 81,042,001; showing a balance to credit of and management of the Govern but simply to the growth of the

LONDON AT THE EXHIBITION .- Were any. hing else wanted to show the utter selfish ness of the Western city in the matter the exhibition, a glance at any of the London ape re is quite enough to satisfy any man of common sense that they will go on their own way, and have their western Fair just duties of the Secretary of the Institution who is labouring like a Hercules, according to report to get things into shape for this work. A kind of general notice is also hand ed round that exhibitors must confine them selves to certain trains on the G. W. Railway, if they hope to avail themselves the half-fare privilege. The entries are large, and many of the first breeders of stock in the Province are to favour the Fair with their cattle among others Mr F. W possible objection to the people of London doing all they can to help themselves, but they are bound that as far as they can, they will kelp no one else. We be lieve we are correct in saying that hardly man of the Western city visited our cit even the famous Sunnysid hibition, but not so this year. London wanted the exhibition next year, and Sunnyside was on hand to brazen the thing out, and claim the right of Lendon to do as ahe pleases and compel others to help her. While visitors were scarce with us, entries sorved pretty much the same. The Lonof the city will have their bread buttered the occasion. on both sides, for they will fleece the visitors well, and get all the prizes for the

The address to the Lieut. Governor is led be lost in sending it forward by a proper | 1872. deputation. The copy is also in the hands of the printers, and in a few days every member of the Ontario Legislature will have an opportunity of considering our case.

A meeting was called for last Saturday to receive the final report, and take measures chance only two members attended, and after waiting some time they were compelled to adjourn for want of a quorum. It is hoped that this evening all the members reason to fear that the rumour of the death of Lawrence Herchmer, Commissary's Officer after the Board of Trade meeting, and cal Superintendent of Rockwood Asylum is J. F. Kerr, T. B. Tracy and Peter Doyle, requiring consideration. Kingston has gained on the arrival of the English mail, men have a very favourable opportunity of now the ball in her hands, and if she which will be due this evening or to-merrow distinguishing themselves, which we hope for butable to those who have so far wrought heartily and well to secure success. long pull, and a strong pull, and a pull to gether, and let Mr Robinson and one or two others be away for Toronto as soon as
