( Despute to Datty News.)

fire at the Escurial had been extinguished. est to all. It is to be regretted that thes, Two of the towers and a portion of the roof- meeting are so thinly attended. No subject is ing have been destroyed. The amount of more deserving of attention at present than damage is estimated at 3,000,000 reals. All the valuable objects, which it was that would perish in the conflagration are re ported to be safe.

London, Oct. 3.—Despatches from India says it is rumonred that a Russian force is

marching on Khiva. The Staffordshire iron-masters have re-

duced the prices of finished iron per ton. Paris, Oct. 3. - It is rumored that Presi, dent Thiers intends at the next session the Assembly to urge the conservative deputies to support a proposition for the definitive establishment by proclamation of permanent republic based on strictly conservative principles. It is also said that Casimier Biriere is now using his influence with the right centre of the Assembly to bring it to accept the President's views.

London, Oct. 4. At the investigation into the cause of the railway collision on Wednesday last sufficient evidence was produced to warrant the belief that the station master at Kirtle Bridge was responsible in a large degree for the lamentable disaster and he has been committed to prison to await further proceedings.

Queenstown, Oct. 4. - Arrived, the steamers Scotia, Italy, both from New York.
