It was a matter of great satisfaction to me that, no pledges having been required of me-I was left free and untrammeled in responding 290 to your call; at the same time, in presenting myself for your support, I do so with full understanding that, in the event of my being returned to Parliament, I will use my best endeavors to promote the welfare and prosperity of Canada, by seeking to secure, to all classes of community, the full enjoyment of equalrights, both civil and religious. I shall! as heretofore, steadily oppose all connection City of Kingston to Wit : between Church and State; as I believe such | DUBLIC Notice is vereby given to the Electors connection to be, in the highest degree, inju- I of the City of Kingston, tint in obedience rious to both; and will, therefore, use every Her Majeny's writ to me directed, and bearing constitutional means to secutarise the Clergs | date the fich day of the month of Nov Reserves, in offer that the whole people of 1851, I require he presence of the said Electors raily, and of Railways in particular; taking care, however, that we are responsible for no

more than a fair proportion with the British Proxinces, and, also, that we have our just share of money in Canada West, We require Recimocal Free Trade with our neighbors across the line, and, notessthis is granted, other means will have to be employed to place the people of Canada on a proper tooting. Free Trade on one s de only

Retrenchment is the order of the day, and every thing that can be done to husbard the r sources of the Province shall have my entire approval and support.

I am decidedly in favor of progressive measures, to the fullest sense of the term, and a stand still, do-nothing policy will have no fa-

vocat my hands. to believe they will be, I shall give them my experience as a Ship-builder, to be able to hearty support, and, at all exents, will give give satisfaction to those employing him.
