## Here is your Remedy!

HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a letter from Mr William Galpin, of 70, St Mary's street, Weymouth, dated May 13th 1851;—

To Professor Holloway,

SIR—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely and the state of her legs was terrible. I had often read your Advertisements, and advertised her to try your Pills and Ointment; and as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and strange to relate, is now in good health. Her legs are painless, without scars or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature.

Signed.
WILLIAM GALPIN.

*Another Living Witness of the Hydropathic and Botanic Medicines, from* CAPTAIN McMASTER.

I WISH to inform the Public, for the good of the afflicted, that I was very unwell with a cough and inflammation of my lungs and chest, which threatened my whole constitution. I spared no cost or trouble to get rid of it, but I got no relief until I was advised to go to DR. LANKTREE, of Kingston, when I got his Medicine. It took but a short time, and little cost, until I could again rejoice in the return of my perfect health—thank God.

SEEING and hearing of so many testimonials for Dr. Lanktree's Medicine, brings me to recollect my duty both to him and the public; for I was some time ago, to the knowledge of many in this city, given over as an incurable case, with Enlargement of the Heart and Liver Complaint, and was effectually cured by him; also, lately, I was in despair with a Dropsical Swelling, and obtained immediate relief, so that I am now able to do my business well, thank God.

I FIND that I am in duty bound to state to the public far and near, that I was very ill since 1843 with the effects of a hurt, which disabled my chest and spine, in such a way that I became debilitated all over my person, and unfit for any business, but pining away all the time; and hearing of so many persons cured of different complaints by Dr. Lanktree of Kingston, I went to him and by the use of his medicine, and advice as to what food I should use, I can now certify to all that I am fully restored thank God, to my family and perfect health again.
