ELECTION DECISION.

The Supreme Court met at Ottawa yes-

order by the President of the Associa fair that his explanation and defence the Dominion Controverted Elections Act, should be given. Mr. Radford says he 1874, to be not ultra vices of the Dominion. The minutes of the previous meeting left this city a week ago for Charlotte, ion Parliament, and the correctness of the laden, as we have already intimated, with | determination is the only question now The first item on the programme was stone and lath. The vessel sailed out of in controversy. This, if not the most imthis Court, inasmuch as it involves in an eminent degree the respective legislative then rights and powers of the Dominion Parliament and the Local Legislature, and its logical conclusion and effect must extend far beyond the question now at issue.. view of the great diversity of judical opin ion that has characterized the decision vinces and the judges in all, while it would seem to justify the wisdom of the Domi nion Parliament in providing for the esplanations, and explanations were useless lotte. The sea broke over the brig, and tablishment of a court of appeal such as this, where such diversity shall be con sidered and an authoritative declaration of the law be enunciated, so it enhances the responsibility of those called on in the midse of such conflict of opinion to declare authoritatively the principles in front an ocean, the outer harbour a could have been saved at this time. ed into an exhaustive argument to prove that the Dominion Parliament had not dividually or collectively, or both, whom they appoint, pay and can by address reelections, the doing of which not being inconsistent or in any way in conflict with their duties as judges of their respective courts, but on the contrary is shown by

> and as the Imperial Parliament has lef it to the parliament of Canada to proviproceedings incident thereto, and they have discharged this duty by the statute of 1874, utilizing existing judicial officers and established courts by engrafting on or establishing independent courts throughout their respective provinces tribunals eminently qualified to discharge the important duties assigned to them, they have not in so doing, in my opinion, in any particular invaded the rights of the Local Legislatures or brought the new jurisdiction or the procedure under it in any way in conflict with the jurisdiction in procedure of any of the courts of the provinces, and therefore the Dominion Parliament in enacting the Act of 1874 have not, in my opinion, exceeded the express power conferred on them to provide for the trial of controverted elections and proceedings incident thereto and therefore I think this appeal must be dismissed with costs, and the case remit ted to the Court below to be proceeded with according to the due course of law.

Judges Henry, Fournier, Taschereau and Gwynne concurred in the judgment of the Chief Justice, and the decision was

consequently unanimons. Judge Strong took no part.
