Many a dollar would be saved, and much zing for aweets in the downy heart of a pain, by attending to this advice.

Did it sting you? I asked, assuming

A very sympathetic air.
'No; bees never sting me, and I've

I did not know that you loved them. Most girls are afraid of bees.' Yes, but I am not. She turned from the rank patch of

where our paths separated, she put up. her little arms to be taken and kissed Be good to yourself, Eddie; and next

winter, if any little lonely Adelmas come cold and frightened to the red school house yonder, be as kind to them as you Something choked in my throat, and I could not say a word; but I kissed her more than once, and after she had slipped

I sat down and cried like a baby, because I was never to see Adelina again. It was not long before the rumor was rife in the neighborhood that Mrs. Lagrange had married a middle-aged city millionaire, and that the young widow and her child had found a new protector in place of the one death had taken from

from my arms and was twenty rods away.

Years flitted by. - I was twenty-four. had fought through the great rebellionentered the army a private and came out of it as a captain, shattered in health, and atterly depleted in pocket, to find myself at home again, ill and altogether dis-

trustfu! of fortune's smile. In my frequent walks to the village post office I often passed by the old red school house, and never without a sigh of regret for the many happy, care-free days spent within its battered walls. Among the letters handed to me one

morning was one postmarked New York, which informed me of the fact that, through the instrumentality of a friend of mine, whom he was auxious to serve, the undersigned, Mr. Maxwell, had been induced to extend to me a commercial opening at the liberal salary of two thousand a year, to be increased if merited. There was a fortune for me in the offer,

and I accepted of it with alacrity. Mr. Maxwell, a rich New York merchant, from the first took a lively interest in my advancement. The unknown friend I could not account for in any other way than by supposing it to be some soldier It was the day after New Year's -a comrade whom I had befriended in the

consolately wended my way to school Within a month I was fairly established wishing holidays came oftener and staid at my new post of duty, and succeded in longer, and regretting that out of the pleasing Mr. Maxwell so well that at the fifty-two there was only one week of un- beginning of my second year he sent me to Europe in the interest of the hous. When The old red schoolhouse stood at the I returned I was given a week's vacation, unction of three roads, and, as I raised which I spent among the breezy hills of the little hill justs before reaching it, I my old country home, passing the pleasant saw coming in the opposite direction, a September days in framping through the little black-clad figure that looked like a woods and fields and by-ways that were was just turning the curve in the road where the Canada thistles grew, and so linger on her movements as I did, or why lost in my walking reverie that I was al-

'I am glad you still love the old scenes, rightly understand the meaning of the Mr. Durand, she said, without expressing the least surprise. I was astonished. Here was a lady who, ogether, and being a boy, not at all to the best of my knowledge, I had never

'Names are treacherous things, and if I were ever so fortunate as to have known heard or have ever heard since. The pecu, yours, I am guilty of having forgetten it. 'Men forget easily, I am told; but I had hoped to find you an exception to the

> A very awkward silence on my part ensued. She took pity on my evident embarrasment, and continued. 'Has your battle with the world entirey driven from your recollection all the

winning cadency, thrilling my whole he-All this time she had been trying to un- ing with delight. I caught her hand, and, before I knew what I was doing, had carried it to my

without a moment's hesitation I bent same little girl I kissed here years ago down and did as she requested. It was not a bit taller, not a bit older-only such a tender, confiding little face - who Adelina, always lovely and always loved. could not help loving it?-I patted en- Then I told her all about mysslf, how couragingly the rose-bud cheek turned prosperous I was, and the strange manner toward me in gentle truthfulness, and in which I had been brought to the notice bade her not to be afraid, for she had as of my kind employer. When I had fin-

You appear to know everything. L

'He is my father.'

I staggered back, in my soul ashamed nothing but the poor favor of once having white worsted hood. I turned away, cut to the heart, but she put out a detaining

'Don't go, Mr. Durand-that is, don't go feeling hurt; for it would make me feel very unhappy if you were to go away angry with me.

'I knew of to other way in which to who express my gratitude. 'Gratitude for what?' The question was rudely abrupt, but she took no notice

> 'Are you conscious of what you are say-'How am I to understand your words?'

she smiled, lowering her eyes.

She had an instant illustration of m her two little hands in both of mine, and Her mother, it was rumored, was a kissed the sweet mouth for its shyly-I walked home with Adelina, Oh, so

'That I leave to your good judgment,

give her to you confident that you know The summer term brought Adelina how to prize the treasure you have won. And so, not long thereafter, I married
