Sale of Stock.

The great auction sale of trotters and trotting stock from the farm of Robert Bonner, New York, took place on Oct. 28, and attracted what is probably the largest and most notable gathering of horsemen ever assembled in this country. During the morning it was estimated that more than 4,000 persons visited the grounds. A list of noted turfmen, breeders and horse fanciers in attendance would comprise hundreds of names. Many prominent ones came to attend the sale from New England, the west and south and indeed from all parts of the country. The crowd on the grounds included besides a number of stable keepers and sporting men 5,000 men, who were on the grounds at 10 o'clock when the sale began. Among the 88 horses offered were the six-year-old gelding Keene Jim, a number of colts, fillies and young horses, and 35 horses from yearlings to five-year-olds. The bidding throughout the sale was spirited, and satisfactory prices were obtained for choice stock, yet buyers in the main think they have made very good bargains for themselves. Adam Burroe, a ten year-old bay mare, brought $800, has a record of 2:57, and bought by D. Mc Farren, of Louisville. Keene Jim, the most valuable horse, bred by Geo. F. Keene of Kentucky, was bought by Chas. Dana of the New York *Sun*, for $4,000. Billy Botton, g. g., 12 years old, was bought by Dr. F. Cordover of New York, for $900. A number of brood mares with and without foal brought prices ranging between $300 and $700.

THE NEW DISPENSATION.—The Emulsion of Palatable Castor Oil with glycerine, manufactured by Scott & Bowne, is one of the greatest medical triumphs of the age. It has made what was the most detestable medicine the most agreeable of them all. Children take it as cheerfully as they accept a spoonful of cream, and literally cry for more. To any one who knows—and who does not—that Castor Oil is the most efficacious cathartic and cure of intestinal inflammation, the inestimable nature of this new dispensation will be approved. Scott & Bowne's Palatable Castor Oil should be in every household. Price 25 cents.

WHY NOT USE THE BEST.—Baxter's Mandrake Bitters are a genuine preparation made from the Mandrake root, used and prescribed by physicians as one of the safest and best liver tonics of the day. Baxter's Mandrake Bitters cannot be surpassed as a stimulating tonic in diseases arising from Sluggish Liver, Foul Stomach and impurities of the Blood. Price, 75 cents per bottle.

AFTER the birth of my babe, one of my limbs became fearfully swollen. Giles' Liniment Iodide Ammonia, after all the K. Brown remedies failed, effected a rapid cure. Mrs. B. Lask, 160 East 66th street, N.Y. Giles' Pills cures Jaundice. Sold by all druggists.

Cankerous affections of the mouth may be speedily cured by use of SOZODONT. It never failed to remove the cause, and restore the mouth and teeth to beauty and health. It injures none, and cures all. It is most pleasant to the taste and conservative of good looks.

BRONCHITIS.—Unless arrested, will terminate in consumption. An almost never failing cure for this complaint is found in Allen's Lung Balsam, which can be had of any Druggist, price one dollar per bottle.

The expenditure of brain power too early or too severely in children often results in physicial debility; the use of Fellows' Hypophosphites exerts a singularly happy effect in such cases.

ELECTRICITY! THOMAS' EXCELSIOR ECLECTRIC OIL! WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where is is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back, of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most skeptical: J. Collard, of Sparta, Ont., writes: "Send me 6 dozen Dr. Thomas' Eclectric Oil, have sold all I had from you, and want more now; its cures are truly wonderful."—Wm. McGuire, of Franklin, writes. "I have sold all the agent left; it acts like a charm—it was slow at first, but takes splendidly now."—H. Cole, of Io a, writes, "Please forward 6 dozen Dr. Thomas' Eclectric Oil; I am nearly out; nothing equals it."—J. Bedford, Thamesville, writes, "Send me at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." —J. Thompson, Woodford, writes, "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it."—Miller & Read, Ulverton, P.Q. write. "The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay."

BEWARE OF IMITATIONS. Ask for Dr. Thomas' Eclectric Oil. See that the signature of *S. N. Thomas* is on the wrapper, and the names of Northrop and Lyman are blown in the bottle, and *Take no other*. Sold by all medicine dealers. Price 25 cents. NORTHRUP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE. *Eclectric*—Selected and Electrized.

MANY who have been relieved of Rheumatism, Tic-doloreux, and various other pains in the Kidneys, Breast or Side, believe it is solely done by the electrical qualities which MITCHELL'S POROUS PLASTERS contain, and which is imparted to the system, thus restoring them to a healthy condition. They are very soft and pliable, still very adhesiv ; and a sure cure for Weak Backs, Pains in the Side and Breast; and are invaluable to those who have a Cold of long standing, and often prevent Consumption. Some even tell us they believe they were entirely cured by the use of them of a long seated consumption. Prepared by GEORGE E. MITCHELL, Lowell, Mass., and sold by all Druggists. NORTHROP & LYMAN, Toronto, General Agents.

PETITT'S EYE SALVE.—An Infallible Remedy for all diseases of the Eye (acute or chronic), granulation of the lids, ulceration of the lachrymal glands, film and weakness of the vision from any cause. It is the most simple, safe and effectual remedy ever discovered. The materials of which it is made are pure, perfect and costly, compounded with elaborate care and exactness, safe in its application, being used externally, and, of course, avoiding the pain and danger which necessarily attends the introduction of caustic minerals and eye washes. Sold by all druggists. Northrop & Lyman, Agents for Canada.

A CARD.

GENERAL RULES for the TRAVELER.

1. Before starting on a journey, become familiar with the route and names of hotels where you expect to stop.
2. Never travel with just enough money, but carry sufficient to provide for any possible emergency.
3. Wear but little jewelry, and keep the larger part of your money in some inside pocket, out of sight.
4. Look out for yourself, allowing no stranger to procure your ticket, or get checks for your baggage.
5. Purchase tickets of the agent, thus saving an extra dime or so; then proceed to the baggage room with ticket in hand, get your baggage checked, and place the checks where they will be safe.
6. Show your ticket on entering the train (as this is required by most roads now.)
7. You are at liberty to choose sittings from the vacant seats, but custom has made the rule that any article deposited in a seat secures it for the holder.
8. A ticket entitles its owner to one sitting, which is one-half of a seat; therefore, if one-half of a seat is vacant, you are at liberty to occupy it; the asking the occupant of the other half if you can sit with him is not required, only, if you elect to do so, as an act of courtesy.
9. Gentlemen will not see ladies standing without at least offering to resign their sitting to them—cases of illness only excepted.
10. Avoid raising windows when it is apparent a draft from it will be directed to those sitting near you. First obtain their consent.
11. Have due regard for the rights and comforts of your fellow travelers, thus teaching them by your example to respect yours.
12. If you want information regarding changes of cars, re-checking baggage, route, etc., inquire in advance of the conductor, who is willing and glad to be of service, especially to those unaccustomed to travelling and needing direction.
13. Remain seated until the train comes to a full stop.
14. Always close the door on entering or passing from the car, unless you are followed by others.
15. In making changes, transfers, etc., take an omnibus or follow the crowd; these are safest.
16. Under all circumstances endeavor to retain presence of mind. With the facilities and perfected system of railways now in use, especially on the Grand Trunk Railway, one need have no anxiety in traveling, only be "sure you are right, then go ahead." And to secure all of the advantages of the day, be sure and get your tickets from

MESSRS WEBER & CO. in announcing their success at the World's Fair would call the attention of the Canadian public to the fact that after the most searching examination by Gentlemen eminent for their Musical talent their Pianos have been awarded the above Prizes. These Instruments were not made for the Exhibition, but taken from Stock, being fair representation of their Pianos. This should be a proof to Canadians that Canada can produce as good Pianos as the best imported Instruments.
